Student Success
Year 8 student Matthew McVey continues to excel as a well-rounded sportsman having recently come first in the Javelin and Discus events at the All Schools Athletics’ Carnival. Matthew has had to compete and win at the school, Zone, Regional and CHS levels in order to complete against all schools in NSW, public and private. His success here means that he will now go to the National level where we wish him all the best of luck.

Congratulations also to our Year 12 students who have approached the first week of the HSC exams with tenacity and determination. The Presiding Officer has reported that the students have been fabulous. The nerves seem to have settled and the excitement of finally leaving school has started to rise in some of them. With another 3 weeks to go there are still plenty of exams to come but the confidence gained from having completed the first lot of exams will be a tremendous boost. We have every confidence that the remainder will fly by.

Mitchell Youth Leadership Forum
I had the pleasure of attending the Mitchell Youth Leadership Forum at Vision Valley last weekend where I joined a group of Year 11 (soon to be Year 12) students who were enjoying learning about leadership from a range of inspiring speakers. The forum is organised by Alex Hawkes, our local Federal MP and the experience is really affirming for young people as they prepare to enter the world as responsible young citizens.

The Forum is a chance for students to come together and share thoughts and ideas on how to be great inspirational leaders in their schools. At Vision Valley they experience the wise knowledge of exceptional leaders and speakers, as they share their personal stories and secrets about what it is to be a great leader each and every day. The program is a mixture of guest speakers, workshops, activities and a community service project where students move into the community to put into action the types of principles they have heard about.

During the Principal’s session, our young leaders inspired me with their passion for our
school and with the ideas they have for increasing the opportunities for students to further develop their skills here at the Farms. I look forward to working with them on their future projects.

**Preparing for Exams**
The end of year is traditionally exam time for all year groups and no doubt there are a few students other than our seniors who are feeling the pressure. It’s important to help your child stay healthy, well rested and sane as they concentrate on studying for end of year exams. This short video features teachers and parents talking about HSC preparation, but the tips are good for all high school students preparing for exams. [http://bit.ly/oTovND](http://bit.ly/oTovND)

2014 HSC
The 2014 Higher School Certificate written examinations started on Monday 13 October. A record 76,679 students are enrolled in at least one HSC course this year.

The written exams take place over 18 days between Monday 13 October and Wednesday 5 November with 116 different exam papers. The first exams were English Standard and Advanced, and English as a Second Language (ESL). The last exams are Entertainment Industry, French Extension, Information and Digital Technology and Retail Services. We wish our HSC candidates well over the coming weeks. If you would like a copy of the HSC timetable, please use the link below.

Electronic Cigarettes
It has been brought to my attention, that some of our students may be using e-cigarettes. The use of such devices at school, or during school activities is strictly prohibited. If you are unsure of these devices, please find a summary from Wikipedia below.

An electronic cigarette (e-cigarette), personal vaporizer (PV) or electronic nicotine delivery system (ENDS) is a battery-powered vaporizer which simulates tobacco smoking by producing a vapor that resembles smoke. It generally uses a heating element known as an atomizer, that vaporizes a liquid solution known as e-liquid. E-liquids usually contain a mixture of propylene glycol, vegetable glycerin, nicotine, and flavorings. In surveys of regular users the most liked e-liquids had a nicotine content of 18 mg/ml. The Australian Medical Association (AMA) states that the benefits and risks of electronic cigarette use are uncertain. 1st Generation e-cigarettes look like conventional cigarettes, whilst 2nd Generation devices look more like the diagram below.
**NSW Government Awards**
The NSW Government issues a number of awards for exemplary service to the community and the public service. Awards are a way the NSW Government can acknowledge excellence and reward achievement and service. The awards can be found below.

**NSW Government State Representative Award**
The NSW Government State Representative Award recognises people who have represented the State of NSW in a competitive field.

Nominees of any age, who have represented NSW in a competitive field (eg. sport, music, the arts or academic), either nationally or internationally, may be nominated for the Award. Nominations for this Award are made through your local Member of Parliament.

**NSW Government Community Service Award**
The NSW Government Community Service Award recognises individuals throughout NSW who have substantially contributed to the improvement of the quality of life of members of their community, beyond that expected in their usual occupation.

Nominations for the NSW Government Community Service Award must be for community work performed principally within the electorate of the nominating NSW State Member of Parliament. Each Member of Parliament is entitled to present two **NSW Government Community Service Awards** per calendar year.

For further information, please see Mrs Manson in the Mathematics staffroom (as she has copies of forms) or [click here](#).

FROM THE DEPUTY PRINCIPAL

**Year 11/HSC In Touch Night**
After feedback from last year’s In Touch Night it has been decided to move this evening to Term 4 - the first term of the HSC course. The aim of the evening is to give students and parents information regarding important HSC dates and how to cope with the HSC course. There will be past students and parents who will pass on their insights and tips for success in the final year of school.

The night will be on Tuesday 28th October starting at 7pm in the school hall. All students were given a note this week about the evening.

**HSC Assessment Booklet**
During last week the HSC assessment booklet was handed out to all year 11 students. Families need to read the assessment policy closely as several changes have been made since last year. The contents of the policy will be discussed at the In Touch evening.

**Yearly Exams**
As all years complete their yearly exams over the next weeks, parents and students can find some useful tips for managing exam stress in the following document.

Good luck to all students as they complete their exams and remember: hard work and diligence will always be rewarded.

Have a good week,
Jennifer Pledger
Deputy Principal

High resolves program at Model Farms High School

Year 8 Global citizenship program
All the year 8 students participated in the High Resolves program which was delivered in two interactive and thought-provoking single day modules, providing students with the opportunity to develop the skills needed to become purposeful global citizens who embrace diversity and strive for fair outcomes.

In the Collective Identity module, students learnt
- to appreciate the unity of the human race, embrace diversity and recognise the need to overcome divisions
- recognise, critically examine and challenge the things that divide us
- look beyond difference to identify people’s positive qualities and use them to build unity.

Through the Justice module, students learnt to:
- recognise situations as being just or unjust resist seeing the world through self-centered lens
- redress social situations to make them more just.

Year 9 Global Leadership Program
The 2 day Global Leadership Program provided students with the opportunity to develop a range of social and leadership skills that will equip them to better manage themselves and lead other people.

A group of active Year 9 students are participating in this program this year. The program began with a two day leadership intensive workshop to build students’ capacity, after which their new skills are applied and enhanced through hands on social action projects to create a positive impact in their school and wider community.

28th November 2014:
Mini Olympics @ The Farms 2014

On Wednesday the 17th of September, Year 12 mainstream students and the support students from Model Farms High hosted the ‘Mini Olympics’ annual event.

Support students from Winston Hills Public School were invited to attend and participated in a range of activities for the afternoon.

A BBQ was put on and a great time was had by all!

We wish the Yr12s the best of luck for their HSC exams and for their post school decisions.

FROM THE ENGLISH & DRAMA FACULTY…

Congratulations to the following English & Drama Faculty Merit Award recipients:

Year 8: Amir Hashemi Pour, Aaron Morden, Atabaris Pelin and Tarun Raja

Year 11: Nicholas West and Kar Lei Young

CONGRATULATIONS to our Year 8 Debating Team for making it into the quarter final of the Premier’s Debating Challenge.

They will be versing James Ruse Agricultural High School on Monday, 20 October. We wish them the best of luck! Ms Estacio

BOOKS! BOOKS! BOOKS!

A number of classes completed a close study of text last term and there are copies of novels and plays yet to be returned. Please double check under beds, in bags and on tables for any English texts and return them to the staff room. Thank you 😊
Best of luck to our Year 10 Drama students representing the school at the NSW State Drama Festival next week with their class performance ‘Do You Have A Minute?’ Their participation in the festival is a fantastic achievement and we look forward to their continued success in Year 11!

Year 11 Young Women’s Leadership Seminar
Year 11 student leaders Loredana Caltanide and Josephine Rizko attended the Young Women’s Leadership Seminar on Wednesday 15th October 2014 held at NSW Parliament House, Macquarie Street, Sydney. The aim of the seminar was to discuss concepts and definitions of leadership and issues that might affect women in leadership roles, and to provide the opportunity for participants to meet a variety of women leaders. The girls were greatly inspired by the speakers at the event and say they look forward to sharing their experience with their fellow leaders and implementing new initiatives in 2015.

Australian Business Week
Year 11 engaged effectively with the roles and responsibilities of Australian Business Week – where students were given the task of creatively working as a team to generate their own unique product that spoke to their peer group who were their target market. Students actively directed their own TV commercial, design a trade display and promote their product whilst also battling the financial aspects of the marketing world. Our Year 11s worked tirelessly to build their companies from the ground up to achieve much success. Well done, Year 11!
MODEL FARMS HIGH SCHOOL
UNIFORM Shop Information for Parents & Students
Year 7 - 2015

Model Farms High School is a “Uniform School” and every effort is made to ensure that garments are provided at a reasonable cost and in a variety of sizes – including hard-to-fit sizes. Our Uniform Shop is run by wonderful VOLUNTEERS with any profits directly benefitting the school.

~~ PLEASE bring your child when purchasing uniforms ~~

There are NO standard sizes. Trying to guess sizes DOES NOT work.

A “SPECIAL DAY” for Year 7 is provided to enable you to try and purchase your uniform requirements. This is SATURDAY, 29th NOVEMBER 2014 between the hours of 9.00 a.m. – 2.00 p.m.

On this day we have many volunteers (as opposed to 1 or 2 on normal trading days), separate areas for boys & girls and a specific payment area. This all ensures a smooth and much quicker uniform purchase.

The Uniform Shop is open Monday, Wednesday and Friday mornings during each term from 8.10 am until 9.00 am (excluding Teacher Development Days). Please feel welcome to purchase your child’s uniform on any of these days, if you are unavailable on Saturday 30 November, however DELAYS may be experienced.

The last day of trading for 2014 is Friday, 5th December. Please also be aware the Uniform Shop will NOT be open on the first day of school 2015 so all uniform requirements need to be purchased prior to school starting.

Please note: We will NOT be open for Year 7 - 2015 uniform purchases on Orientation Day, 3 December 2014.

The Uniform Shop will also be open on SATURDAY, 10th JANUARY, 2015 from 9.00 a.m. – 2.00 p.m. However, we recommend 29th November, as this day is primarily for Incoming Year 7.

Should your child be likely to need garments outside our normal size range please ensure that you visit us as soon as possible so that orders are placed with sufficient time allowed for delivery prior to commencement of school. We recommend that uniform items be purchased prior to close of business in December. This is to ensure all your requirements are ready for the start of school. If we do need to re-order this can be done during the Christmas break ready for you to pick up in January. It can be very unsettling for students to not have the required items.

PRE-LOVED UNIFORM - Limited second-hand uniforms are available through the Uniform Shop.

BOOK PACK - A superior quality Book Pack for Year 7 students is available. This contains ALL the initial stationery requirements as requested by their teachers. As only a limited quantity is available, it is recommended that Book Packs be purchased in December to avoid disappointment.

CALCULATOR - The calculator required for Year 7 to Year 12 is available from the Uniform Shop as a separate item. Teachers have requested that ALL Students use the same calculator.

USB DRIVE - Is essential however, is NOT available from the school.

PAYMENT - Payment is accepted in the following forms:

Cash - Eftpos - Cheque - Mastercard - Visa

We look forward to meeting you.

Rita Nold
UNIFORM SHOP CO-ORDINATOR

Note: MFRS uniform items are not available through other retailers.
Prices lists were correct at time of printing however, prices are subject to change without notice.

**Yearly Examinations for Years 7, 8, 9 & 10:**

Year 9 were the first year group to complete their Yearly Examinations on Friday 17\textsuperscript{th} October (Week 2 Term 4). The Year 9 exams are now being marked and teachers are preparing to start the Yearly reports.

Year 7 are the next year group to undertake their Yearly Examinations. Please make sure that your student brings their own mathematics equipment (pens, pencils, calculators, rulers, geometry sets) for their Yearly Examinations. Equipment MUST NOT be shared in the exams. Please note that Year 7 is the only year group that will not be using calculators for their examinations.

The timetable for the Mathematics Yearly Examinations is as follows:

<table>
<thead>
<tr>
<th>Year</th>
<th>Dates</th>
<th>Notes</th>
</tr>
</thead>
<tbody>
<tr>
<td>Year 7</td>
<td>Tuesday 21\textsuperscript{st} October &amp; Thursday 23\textsuperscript{rd} October</td>

<td>Tuesday 28\textsuperscript{th} October (both exams being done in a two period block)</td>
<td>One non-calculator &amp; one calculator paper. 1.5 hour exam.</td>
</tr>
</tbody>
</table>

Students should be revising their work and if they have any problems with any topics, they should contact their teachers. Remember that Mathletics is a very good resource to use and it is provided at no cost to families thanks to the fundraising efforts of our P&C.

**Calculators:**

Please make sure that all students have their own calculator. The Casio fx-82AU is sold at the uniform shop for $35. Different brands of scientific calculators work differently and it is important that everyone in a class has the same calculator. Students need this calculator from Year 7. It is vital for their progress that students are familiar with their calculator and know how to use the different functions.
**Free Maths Tuition:**
Free Maths tuition is provided every Thursday afternoon after school from 3pm to 4pm. Years 7 to 10 are in room 8-07 and Years 11 and 12 in 8-06. It is fully supervised by the Mathematics Faculty.
