FROM THE PRINCIPAL

Student Success
We reported late last year that Jarod Nekipelov and his FIRST Tech Challenge team had won their way through an Inspire Robotics competition run by Macquarie University. I am delighted to tell you that Jarod will now go to America to compete with his team at the World Championship during the upcoming Easter holidays. During the four day event the team will compete against 127 other teams representing 17 nations from around the world. It is an honour to represent your country and we wish Jarod and his team all the very best of luck.

Open Night
Last Tuesday evening we had another successful Open Night at the Farms. As usual our hall was full with prospective parents and children all keen and eager to find out more about our school. Our classrooms were magical displays of learning; they were colourful, engaging and interesting places to visit. Our student helpers were in their element showcasing the learning that takes place on a daily basis and the activities prepared by the staff really impressed. Our initial feedback from parents was that the school had a terrific feel about it and that the facilities were top class. Some parents compared the Farms with some private schools that their children attended and we came out on top! We wait now to see what our numbers for 2015 will be as a result.

Enrolment 2015
Open Night is not just a night where people get to wander the corridors and classrooms and take a sticky beak at what goes on within the walls of our buildings. It is also an occasion when important information about our enrolment policy and process is disseminated so that no one is in the dark. If you, or someone you know, was unable to attend on Tuesday night then please check out our website for further information on enrolment.

One of the greatest misconceptions is that if your child attends one of our neighbouring primary schools or you already have a sibling at the Farms, that you automatically get
accepted. This is not the case, except for local, in-area residents. If you live outside of our DEC designated drawing area, you must still make an application to attend Model Farms and it will be considered by the placement panel in terms of the enrolment criteria. These students are required to submit a portfolio or folder of evidence to support their application. To avoid disappointment, please check the website, or ring the school for clarification.

Fees
Letters and invoices will go home shortly informing you of your financial accounts with the school. As we function like all other households and businesses we need cash flow to continue to offer you and your child quality education. I encourage you to attend to these financial commitments as soon as practical and if in need of assistance, to contact the school sooner rather than later.

Zone Swimming
On Tuesday 4th March and Wednesday 5th March over 50 students represented Model Farms High at the Hills Zone Swimming Carnival at Parramatta Pool. Congratulations to the following swimmers who were declared Zone Swimming Champions.

Girls
12 years - Zoe Hilton
17 years - Nicola Schuster

Boys
12 years - Chris Powell
13 years - Zac Demos
17 years - Harrison Papagianis
18 years - Nathan Smith

We would like to wish the following students the best of luck when they compete at the Regional Carnival on the 17th March at the Homebush Aquatic Centre.

Permission to use name and photo
At the beginning of each year it is important for schools to remind parents/guardians the importance of updating their contact details. If you have moved recently or changed your mobile phone number please fill out the form in this newsletter and return to the front office.

In Term 2 the school is going to change the way student attendance information is communicated to parents. This information will be emailed to parents instead of being posted, please ensure that we have your correct email address. A lot of families have still not provided the school with an email address.

Each year the school produces a number of public documents (newsletter, yearbook) that do contain a student’s name and photo. If you do not want your child’s name or photo appearing in these documents please ensure you contact the front office with this request.

Jennifer Pledger
Acting Deputy Principal
VACCINATIONS

This week ALL Year 7 students and the Year 9 boys took home their Vaccination Program packs. Information on the vaccines is included in the material distributed to your child.

The dates for vaccinations are:

| Term 2: 2nd May | Term 3: 18th July | Term 4: 14th November |

YEAR 7
Year 7 have 3 vaccinations:
- Human Papillomavirus (HPV vaccination) - 3 doses: Terms 2, 3 and 4
- Diphtheria-Tetanus-Pertussis (dTpa) vaccination - 1 dose Term 2
- Varicella (Chickenpox) vaccination – 1 dose Term 3

YEAR 9 BOYS
Year 9 boys have 1 vaccination:
- Human Papillomavirus (HPV vaccination) - 3 doses: Terms 2, 3 and 4

If you would like your child to be vaccinated, we require a Parent or Legal Guardian to complete the consent form, to be returned to your child’s Mathematics Teacher by Friday 28th March.

If you wish to withdraw your child from all or part of the vaccination program you must provide the school with written notification. The notes can be handed into to Mrs Lumley in the Welfare Staffroom.

If you have any questions regarding vaccinations please contact the school on 9624 3133.

Mrs K. Lumley
HT Welfare
## 2014

### TERM 1

#### WEEK 7
- **Mon 10/03**: Yr 11 Ancient History Source Assessment  
  Yr 9 PDHPE Stress Ass task due (in-class presentations)
- **Tues 11/03**: Yr 9 & 12 Parent/Teacher Evening  
  Yr 12 A/History Assess Essay
- **Wed 12/03**: Yr 7 (7YFT1) Made with Pride Textiles Assign Due  
  12CAFS INCLASS
- **Thur 13/03**: Peer Support Session 5 (Yrs 7 & 11)
- **Frid 14/03**: Yr 11 Modern History Assessment 1  
  Yr 12 artXpress excursion  
  Yr 11 Chemistry Assessment Task 1( Skills Test)

#### WEEK 8
- **Mon 17/03**: Yr 7 Narrative Assessment in class Week 9
- **Tues 18/03**: Yr 11 In Contact Evening  
  Yr 7 Mathematics Assignment 1 Due  
  12 SDD: Major Project (Stage 1) Due
- **Wed 19/03**: Yr 7 Camp  
  Yr 7 Camp  
  Yr 7 Camp
- **Thur 20/03**: Yr 7 Camp
- **Fri 21/03**: Yr 7 Camp

#### WEEK 9
- **Mon 24/03**: Yr 11 Legal Studies  
  Parramatta Court Visit  
  9GY Natural Hazards due
- **Tues 25/03**: Yr 9 History Incursion Periods 5 and 6  
  Yr 9 Maths Assignment 1 due  
  Yr 8 Maths Assignment 1 due  
  Yr 11 Elevate Seminar  
  Yr 10 Elevate Study Skills
- **Wed 26/03**:  
  Yr 12 Prac Exam  
  Yr 11 English Assessment  
  Yr 8 English Response to Text
- **Thur 27/03**:  
  Yr 12 Prac Exam  
  Yr 10 Science Major Research Project due

TUG DUMBLY

On Thursday the 6th of March, performance poet Tug Dumbly spent over an hour captivating Year 10 students with his wit and enthusiasm. Students and teachers alike enjoyed the presentation and walked away from the experience with a powerful message from Tug – “Play with words, expand your vocabulary and explore language. Language and communication are the cornerstones of everything.” Here are some reflections by Year 10:

- Cara
  It was really engaging. He talked about current issues, which gave us something to relate to and think about.

- Aleysha & Stephanie
  He was great! His satirical outlook on celebrities was the best part.

- Matthew
  Tug was creative in the way he told stories, made jokes and generally kept us interested in what we had to say.

CALLING ALL WRITERS!

‘What Matters’ is a writing competition that gives Years 5-12 students in NSW and the ACT a chance to say what matters to them in society today. What actions do you think should be taken to build a better society? What would you change if you could? What do you want other people to care about?

Write4fun encourages students to read and write through a series of competitions that are fun and easy to enter. School students across Australia are invited to enter their short stories OR poems to be in the running to win cash prizes for both themselves and their school. Students from all grades are welcome to enter, using their imaginations as they are able to write on any topic!

For information on either of these competitions, please see Ms Greer in the English staffroom.
Year 11 Message Board!

From Mr. Montgomery

Year 11, Parents and Caregivers,

The school has organised an incursion with *Elevate Education*, aimed at providing Year 11 with practical skills to prepare them for their exams, with two sessions on Tuesday 25th March 2014.

In this session you will hear from young people that have tackled the HSC head on and who want to teach you the skills they used for success in senior school and motivate you to make your seniors year the best they can be!

The cost of the excursion is $15.00. Payment was due by Friday 7th March, 2014 to the front office. If you missed out please see Mr. Montgomery ASAP to secure your place in this course - it is an invaluable experience for all senior students.
keys2drive teaches you driving skills for life, not just for the driving test.

Funded by the Australian Government, keys2drive is providing learner drivers and their parents/supervisors with a **FREE** driving lesson, accompanied by an accredited keys2drive professional Driving Instructor. The lesson consists of both theoretical and a practical on-road component.

An Australian Government Initiative
Drama at the Farms

All of our Drama students are hard at work devising playbuilt performances engaging with a range of devises and styles to engage their audience. Year 9 students are developing performance in the style of Melodrama. This is their first assessment task as Drama students and they have shown a high standard in rehearsal leading up to their performance in Week 7.

Year 10 are calling on their skills in mime and movement, piecing together playbuilt performances centering on the stimulus ‘The Escape!’ And Year 11 have engaged with Surrealism, Expressionism and Absurdism exploring issues that affect the world and these students hope to leave an impact on their audience.

Our HSC Drama students also presented their Checkpoint 2 showcasing the progress of their Individual Performances, Scriptwriting, Video Drama and Set Design. They are congratulated on their hard work leading to this point in their process.

Open Night... Thank you!

Thank you to our hard working performers who attended Open Night – these students worked hard to entertain Year 5 and 6 students with an array of theatresports scenarios that kept their audience laughing and showcased the talent of the Drama students at the Farms.
FROM THE FACULTY THAT COUNTS

Congratulations to the following Maths merit recipients:

Year 7
Joshua English

Year 8
Domenic Coleman,
Emily Deschacht

This Week’s News

Australian Mathematics Competition:
Notes are being issued to students for The 2014 Australian Mathematics Competition. This supplements the Gifted and Talented work being done in the classroom. It costs $5 and the money is to be paid to the school by Friday 11th April. The competition will be held on Thursday 7th August 2014. If your child has not received a note and they want to sit the examination, please ask them to speak to their Maths teacher.

World of Maths Incursion Year 7
The ‘World of Maths’ incursion was a great success with our Year 7 students. The students worked in small groups and participated in hands-on activities that required them use their Mathematics knowledge and higher order thinking skills. We will have photos for the next newsletter.

Calculators
Please make sure that all students have their own calculator. The Casio fx-82AU is sold at the uniform shop for $35. Different brands of scientific calculators work differently and it is important that everyone in a class has the same calculator. Students need this calculator from Year 7. It is vital for their progress that students are familiar with their calculator and know how to use the different functions.

Assignment Season
Yes folks, it is that time of year again! Years 7, 8, 9 and 10 will have assignments due soon. The Year 10 was due on Thursday 6th March. Years 7 and 9 have received their assignments and Year 8 shall receive them in the next few days. Please encourage your student to be organised and to have their assignment finished prior to the due date. If assignments are handed in late without a note giving a valid reason from a parent/caregiver, 10% of the marks will be deducted for each day it is late. A weekend counts as two days. Please note that computer or printer problems do not constitute a valid reason for an assignment being late as we have computers and printers at school that students can use.

This is an example of a digital clock that shows the month, day and time in numbers. There is a digital clock that shows the month, day and time in numbers. At some time it will display one of each digit from 1 to 9. What is the first time in the year where one of each of these 9 digits is displayed?

**Have a Mathematical week,**
From Jackie Dalton and the Maths Faculty Staff
Model Farms High School Council Nominations

The School Council is currently calling for nominations from interested parents for the school governance body. The only qualification required to be a School Council Representative is an hour or two of your time each month and a willingness to help and improve the school. The Council is comprised of students, staff, parents and community representatives and plays a key role in whole school decisions and policy development. Meetings start at 6.30pm on the third Wednesday of each month. All nominations need to be made on the nomination form below. Further information can be obtained by contacting Steve Norcott on 9714 7228 or via the Contact the Council link at: http://www.modelfarms-h.schools.nsw.edu.au/our-school/school-council

Acceptance of Nomination:_________________________________________________
Parent involvement – the secret ingredient to children’s school success

Positive parent participation demonstrates to children that you value learning as well as holding their school in high regard.

If you want the best outcomes for your child or young person then it’s important that you become involved in as many aspects of your child’s education as practical.

The involvement of parents helps break down the mystique about school that can exist for some children. Their chances of success are better when they see school as an extension of home rather than merely an institution for learning.

Positive parent participation demonstrates to children that you value learning as well as their school. Children copy many of their parents’ views so your positive attitude to school and learning is catching.

Parent involvement takes energy

Many primary schools offer parents classroom jobs such as hearing kids read, taking small groups in elective activities and assisting children when writing stories.

Unfortunately, finding parents who are willing to take part in these activities is increasingly difficult. Many parents find themselves worn out from working too hard or being involved in a variety of activities. They find themselves with no energy left to be involved in their child’s school.

Make sure kids are school ready every day

Participating as a parent can be much broader than helping out in the classroom. There is a range of simple things you can do at home that will assist teachers to maximise the learning of your child.

These include: talking with your child about their day, hearing young learners read, helping with homework and making sure kids go off to school happy, healthy and having had plenty of sleep.

Here are some more ideas to help you participate in your child’s education in positive ways:

✓ Find out what your school is trying to achieve for your child and show your support for its aims. Discover what sets your child’s school apart from others.

✓ Support a broad, balanced curriculum that offers children a variety of educational experiences rather than a program that focuses narrowly on the traditional 3 R’s.

✓ Direct conversations through the correct channels such as your child’s teacher, the principal or the school’s governing body. Gossip or thoughtless criticism within the general community can easily tarnish a school’s reputation.

✓ Become an advocate for your child’s school and promote its positive features throughout the wider community. Encourage your child to take pride in their school through your example.

✓ Attend school activities such as open days, concerts, sports events and celebrations. Invite other members of the community along as well.

✓ Consult with your child’s teacher about practical ways that you can assist both at home and at school.

Positive parent participation in school and learning is a proven contributor to student success. One practical way to assist your child as a learner is to become actively involved in his or her school life.

Parenting/ideas just got better! Parenting/ideas Club has just been launched and has all the answers you need. There are 100’s of articles, videos, guides, how-to’s, book reviews and more available for members. Become a member today at parenting/ideasclub.com.au.
