FROM THE PRINCIPAL

Successes
Congratulations to Year 12 students who are making excellent progress in their HSC year. We are over the half way mark now and I have just read all reports from the half yearly exam period and am impressed by the level of commitment and effort being put in to preparing for the trials and the end of course exams. Attendance among this group of students is outstanding in most cases and those students who attend every day are setting themselves up to experience success in the long run. I sincerely hope that those students, who perhaps have one or two areas to work on, really lift their game in the coming weeks and months so that they too can ensure a positive future.

Congratulations also to Mr Chris Puleo who has been appointed to Model farms High School as a HSIE teacher replacing Ms Miani who retired this year. Mr Puleo has been with us in a casual capacity for a number of years and we are happy that his dedication and commitment to the Farms have been rewarded with a permanent appointment. He has already been a valuable asset to the school, involving himself in many extracurricular projects and of course, leading the successful Multicultural Day activities. He is the Year 7 Adviser for 2015 and has also begun planning a History trip to Turkey in September next year as part of the ANZAC centenary celebrations. We look forward to having him teach with us for many years to come.

PACTS
Thank you to those people who have already contacted the school offering to help us establish our Parents as Careers Transition Support team. Your generosity is much appreciated. Fiona Woods and Natalie Crouch are the two staff members who are organizing the program and your names have been passed to them. They will get back to you as soon as we are ready to roll out the program and will be informing you of information sessions etc. Anyone else who is interested in having a conversation, one hour a term, is welcome to contact the school and ask for more information. All offers of time and experience greatly accepted.
Fees
The Finance committee has been reviewing the school fee collection to date and some of our figures are a bit alarming. As we approach the end of the second term there is still nearly $105,000.00 outstanding in subject fees and another $135,000.00 outstanding in voluntary revenue.

Schools are costly places to run! Subjects such as Food Tech, Hospitality, Visual Arts, Industrial Technology and Agriculture etc., are subjects which have a high level of associated consumable materials. These subjects have higher fees because the food has to be bought for cooking, plants have to be bought for planting, you can't paint without paint and you certainly can't build a table or make a jewelry box without wood! All of these things cost money and are purchased by the school on a weekly basis. The more we use, the more it costs.

On scanning the documents I can see that some fees have been outstanding for a number of years and yet little or no contact has been made with the school to discuss the situation. Some students have even studied practical subjects every year during their time at the school and yet fee payments have still to be paid.

As our current level of outstanding revenue is an untenable long term situation the school will begin looking at what measures we need to implement in order to either increase the fee collection, particularly in practical subjects using consumable items, or reduce costs. As fee payments are entirely up to the parents the only thing in the school's power is to reduce the costs. We may need to move to a 'user pays' situation sometime in the future unless families accept and address their financial commitment to the school. Thank you to the many families who have already paid fees and who do so every year. Your support is much appreciated. However, if anyone is experiencing financial difficulties then I encourage you to contact the school to discuss options.

Christina Bennet
Principal
FROM THE DEPUTY MS PLEDGER

Athletics Carnival
Last week we had our 2014 Athletics Carnival at Blacktown International Sportspark. The school enjoyed a fantastic day where we were all able to enjoy the great weather we have been having lately. Congratulations to Peel who topped the points tally for the day.

Congratulations to the following students who were named as age champions.

Girls

12 Emily Akon
13 Teigan Saunders
14 Leah Mcdonald, Lauren Nowaka, Sophie Beldham - Collins
15 Jaqueline Smith
16 Lucy Laing
17 Paula Tsigounis
18 Brooke McDonald
19 Bernice Druett

Boys

12 Anders Glew
13 Jackson Wilbow
14 Peter Henry
15 Mitchell Harrison
16 Hayden Smith
17 Aaron Wood
18 Fletcher Bailey

Good luck to all competitors going to the Zone Carnival later in the term.

Parents Going Away
Just a reminder to all parents that if you are going away for a period of time and leaving your children at home in the care of another adult, please ensure you give the school their contact details in case of emergency. This needs to be done before you go away. You can supply the details via an email to the school email address, fax or by sending a letter in with your child to the front office.

Cyber Bullying
The following is an article from the kids helpline website about cyber bullying. The full article can be accessed at http://www.kidshelp.com.au/grownups/news-research/hot-topics/cyber-bullying.php

‘Bullying’ is defined by Kids Helpline as the deliberate psychological, emotional and/or physical harassment of one person by another person (or group) at school or in
transition between school and home. It can include exclusion from peer groups, intimidation, extortion, embarrassment, harassment and violence (or threats of violence).

‘Cyberbullying’ is an extended form of traditional bullying, the key difference being that the 'weapon' in cyber bullying cases involves new technology such as mobile phones and the internet. Research has shown that in many cases it is not an 'either or' for bullies, cyber bullying is simply another tool that bullies will use in addition to traditional bullying methods.

Many parents are caught by surprise when they hear about the variety and complexity of how cyber bullying can be perpetrated. Attacks can range from sending angry or rude messages, to repeated harassment, to cyber stalking and threats of harm, to deliberate and public denigration online, to masquerading as fake friends or even as the victim. Like traditional bullying, cyber bullying is done to purposely embarrass, exclude, demean and/or harass others. The anonymity of cyber technologies means that cyber bullies are often emboldened and the fear factor for victims can increase.

Have a good week

Jennifer Pledger
Model Farms High
Recognition Assemblies
Following the Half Yearly reporting period, Model Farms High School recognises student effort and achievement through three informal Breakfasts, followed by an assembly. These assemblies have proven to be very well supported in past years and parental feedback indicates a very positive experience (and a lovely breakfast provided by Mrs Elliott and her wonderful Hospitality team).

Invitations will be provided in the week prior to the events. Dates are as follows:

- Year 11 and 12 Recognition Assembly: Wednesday 30 July
- Year 8 and 10 Recognition Assembly: Friday 1 August
- Year 7 and 9 Recognition Assembly: Friday 8 August

Year 9 2015 Course Selection
Towards the end of Term 2, Year 8 students will be provided information regarding elective course choices for 2015. On the first day back after the break Year 8's will be given their "Handbook" and subject selection forms. They will have until the 25th of July to lodge their forms in the front office and complete their online selection.

Please note that selections cannot be made until students have been given their logins for the process. This will occur on Tuesday the 15th of July with selections needing to be completed by the 25th of July. Students will be spoken to by several of the Head Teachers who will provide them with more detailed information about the courses on offer. An advanced digital copy of the handbook will be uploaded to the school website prior to the end of Term 2. This will provide interested parents the opportunity to discuss options with their son/daughter. Please remember these subjects will need to be studied for two years, so selections need to be carefully thought through.

Model Farms High School provides a range of courses with different experiences to engage all of our students. However, some of the courses offered have fees attached, to cover the cost of materials and resources. Parents and students need to understand that these courses cannot function properly without the payment of these fees and that they should not be chosen if fee payment is a concern.

Track Suit Pants:
On Monday, Tuesday, Thursday and Friday students are not permitted to wear track suit pants in the place of standard uniform items. While I can appreciate how warm they may be, there are ways of wearing our uniform that can keep you warm as well. On Wednesday students can wear the school track suit pants or plain navy track suit pants (no stripes, logos or splashes of other colour). Again, our aim is to keep everyone looking in uniform (the same). Black track suit pants are not to be worn. The only
exception is the Sydney West Region track pants which students have earned through outstanding performance in sport— but only on Wednesdays or for PE.

Have a wonderful week,

Mark Grady  
Deputy Principal

---

**LOST PROPERTY**

Please note we have a lot of lost property from school and camp. There are sports shoes, joggers, jumpers, pillows, keys, pencil cases, mouth guard and many more things at reception. If these prize possessions are not claimed by **Monday 9th June** they will be finding a new home with charity. Some of these items are expensive to replace and some are inconvenient to lose, such as keys. So please get your child to come to reception and have a look if any of this lost property belongs to them. **IT IS IMPORTANT THAT NAMES ARE PLACED ON ALL POSSESSIONS. IF NAMES WERE ON THEM THEY WOULD HAVE BEEN RETURNED.**
## 2014

### TERM 2

#### WEEK 6
- **Mon 02/06**  
  Yr 8 English Listening Task  
  Yr 10 History Semester Exam  
  Sydney West Dance Festival Evening Performance  
  Senior Drama Co. Production Matinee & Evening  
  Knockout Baseball p3-p6  
- **Tues 03/06**  
  Senior Drama Co. Production Matinee & Evening  
  Primary Links Winston Hills  
  HSC English Seminar Day  
  All Schools RL Carnival  
- **Wed 04/06**  
  Sydney West Dance Festival Matinee Performance  
  ICAS Science Competition  
  Advanced English Yr 12 Listening Assessment  
- **Thur 05/06**  
  Yr 10 Commerce Excursion All Day  
  Yr 12 In Class Family Law Essay  
  Yr 7 Science Living Things and Classification Test  
  Yr 11 Extension English Assessment  
  Reach Program Incursion Yr 11  
  12SAC Popular Culture Task due  
- **Fri 06/06**  
  Yr 9 Agriculture Test  
  Preliminary Drama Student Evening Excursion – Cyberbile  
  Yr 7 Geography Excursion, Sydney Wildlife World and Aquarium

#### WEEK 7
- **Mon 09/06**  
  Queen’s Birthday Holiday  
- **Tues 10/06**  
  Yr 10 Subject Information Evening  
  Yr 12 Chemistry Prac Test p5 and p6  
  Shoe-Horn Sonata – HSC Excursion all day  
- **Wed 11/06**  
  Parramatta Town Hall Inner Wheel Music Evening (hall)  
- **Thur 12/06**  
  Yr 11 Maths Summary Books (2unit and Ext 1)  
  New Beginnings Mentoring Program  
  HSC Drama in Progress Performance Night  
  CTA Auditions for Drama, Dance and Music students 12:00-1:00pm  
- **Fri 13/06**  
  Yr 12 Modern & Ancient History Study Day Sydney Uni  
  New Beginnings mentoring program  
  HSC Drama in Progress Night
FROM THE FACULTY THAT COUNTS

Congratulations to the following Maths merit recipients:

**Year 11**
Emma Cuelho, Rachel Lee, Jessica Tsering.

**Year 12**
Rachael Cuneen x 3, Yvette Flory x 2, Allen Huang, Vi Ngo, Ethan Roser, Eric Xie x 2, Hannah Zalakos

This week’s news:

**Year 10 Assignment:**
Just a reminder that the Year 10 Water Assignment is due 16th June. The instructions have been given to all Year 10 students and they are to email their work to their class teachers by the due date. Computer problems are not an excuse for late submission as we have computers in the school library that students can use during recess and lunch.

**Half Yearly Examinations:**
The Half Yearly Examinations are all over. Teachers are all busy marking exam papers and preparing the Half Yearly Reports. Please encourage your student to reflect on their examination papers when they are returned. We need to remind ourselves that we all make mistakes but the important thing is to learn from them.

**The Model Mathematician**
The third round of 'The Model Mathematician' will be held on Tuesday 3rd June 2014. This is a competition where two Year 5 representatives from each of our ‘feeder’ primary schools complete mathematical investigations with our Year 9 helpers. May the best team win.

**Free Maths Tuition:**
Free Maths tuition is provided every Thursday afternoon after school from 3pm to 4pm. Years 7 to 10 are in room 8-07 and Years 11 and 12 in 8-06. It is fully supervised by the Mathematics Faculty.

**Calculators:**
Please make sure that all students have their own calculator. The Casio fx-82AU is sold at the uniform shop for $35. Different brands of scientific calculators work differently and it is important that everyone in a class has the same calculator. Students need this calculator from Year 7. It is vital for their progress that students are familiar with their calculator and know how to use the different functions.
Fun with Maths
This week’s question: Three grey wallabies on their way to a waterhole meet three brown wallabies on their way back from the waterhole on a narrow bush track. Each can only jump over one wallaby at a time and wallabies cannot jump backwards. How can the three grey wallabies get to the waterhole? What is the smallest number of jumps necessary?

Last week’s question: Of the numbers from 1 to 20, which four consecutive numbers add to 50? Which five consecutive numbers add to 50?
$11 + 12 + 13 + 14 = 50$  
$8 + 9 + 10 + 11 + 12 = 50$

Have a Mathematical week,
From Jackie Dalton and the Maths Faculty Staff
FROM THE FACULTY OF PRACTICAL PROBLEM SOLVERS

Year 10 Graphics Technology and Year 11 Design and Technology
Recently students in Year 10 Graphics Technology have been creating logos on Computer Drawing Software (CREO) for their first major assignment of the year. Considering students have only been exposed to this program from the start of the year they have embraced it and applied themselves to create some very nifty designs. As you can see from the samples of student work we have some upcoming designers amongst our creative students:

Meanwhile our Year 11 Design and Technology students are beginning to design multifunctional system projects ranging from guitar tuner capo’s to study desks and kitchen utensil organisers. Below is a sample of Harrison Papagianis’ wooden toy car design project work from earlier in the year:

Mr Sanders,
Model Farms Industrial Arts Department
FROM THE ENGLISH FACULTY

Congratulations to the following Faculty Merit Award recipients:

Year 8: Emily Deschacht and Maneka Ratnayake, Hannah Maestri, Jayden Chesson, Helaina Drakos.

Year 9: Anastasia Demos Year 12: Paula Tsigounis

YEAR 12
On Tuesday, the 3rd of June a study day will be held for 12EAL, 12ESE, 12ESJ and the English Studies and ESL classes. This is a worthwhile experience where students will be reviewing course content from the previous terms. Students will be expected to wear full school uniform and bring the relevant material as requested by their teachers. This is a fantastic opportunity for students to work one-on-one with teachers and address any areas in need of improvement as they count down to the Trial Exams. Please be aware that these study sessions will run in place of regular lessons that day.

12ESC, 12ESD and 12ESK will be attending a performance of their HSC play text – “The Shoehorn Sonata”. The students are very fortunate to be able to view a performance of this text, as others across the state do not have access to these performances.

NOTE: This is only a variation to normal routine and ALL Year 12 students are expected to attend the program put in place for them on 3rd June.

We will have reviews of the study day and excursion in next week’s newsletter.

YEAR 10
Classes in Year 10 are well into their novel study and they will soon begin preparing for their writing assessment for this term. Students will be exploring the interview text type and applying their knowledge of the characters and themes in their class novel to write an imaginary interview. Teachers will be working with students in the coming weeks to outline the features of an interview. All students are encouraged to look up various interviews on the internet to get a feel of the kinds of questions that are asked and how interviews are developed through the content that is discussed.

The 2014 English Competition
The 2014 International Competition and Assessments for Schools English Competition will be held on Tuesday 29th July 2014. It is expected that the Gifted and Talented classes from years 7-11 undertake this challenge; however, all Model Farms High School students are invited to take up this opportunity to test themselves against the state. Students may collect a permission note from the English staffroom or their English teacher. Good luck to all participants!
To the P&C Association of Model Farms High School,

As the owner of Winston Gardens Chinese Restaurant, it is important to me to support the community in the Winston Hills area, especially Model Farms High School, where many local children are educated.

For this reason, I would like to make a special offer during the months of June and July, where 10% of the school community’s spending at Winston Gardens will be donated to the P&C Association. Anyone who dines at Winston Gardens merely has to mention the name of Model Farms High School when paying the bill, and we will contribute 10% of it to the P&C Association.

Winston Gardens serves a wide selection of delicious and authentic Chinese cuisine, including Yum Cha and banquet menus, making it the perfect venue for dining or celebrating with family and friends. Our menu can be found on our website:

www.winstongardens.com.au

So come and enjoy our exquisite authentic Chinese cooking, and let our friendly waiters pamper you! Please feel free to pass this invitation on to the wider school community, and remind them to mention Model Farms High School, in order to have 10% of their bill contributed to the P&C Association.

I wish all the parents, teachers and students of Model Farms High School the very best and I look forward to hearing from you.

Yours sincerely,

Thomas Kwan

Students on world stage

A GROUP of students from Model Farms High at Baulkham Hills stepped onto the world stage on Friday, May 16 to help British cook Jamie Oliver create a new world record.

The 22 students joined the global attempt to create a new Guinness World Record for biggest cooking class.

As part of his annual Food Revolution Day, which focuses on teaching people to cook, Oliver hosted a live lesson on YouTube showing participants how to make a rainbow salad wrap in real time.

The event is part of Oliver’s larger effort to combat obesity in children. “I believe that we all now have a duty to teach children to understand what food does to their bodies if we’re going to make any progress in tackling obesity and diet-related disease, that means governments, businesses, everyone.”

Oliver is hoping his audience of 2500 participants from around the world will create the new record. The old record is 2102 people.
Once again the ‘FAME at the Farms’ is back to showcase some of the amazing talent that Model Farms has to offer. Come and enjoy a night full of drama, music, dance and entertainment, a perfect night for the whole family. Tickets are $15.30 when you purchase online or on the evening of FAME at the hall. You can’t miss this spectacle performed by our students.

You can purchase tickets from the website - TinyUrl.com/MFHSFAME - tickets go on sale on the 10th of June.

FAME performances will be held on the 24th and 25th of June at 7pm... Be there!

For more information please visit the MFHS FAME website or ring the office on 9624 3133.

Gen D – Tomorrow’s Safer Driver supports parents of young people by providing valuable information to help them understand their learner driver and the challenges today’s young people face on-road.

Worldwide, road trauma is the highest cause of death and injury amongst young people aged 15 to 29. Each year in NSW, over 100 young people die in road crashes and a further 5,000 are injured.

Commencing with a presentation on adolescent brain development, managing risk taking in youth and communicating with young people, the session will look at the parent/child relationship in a learn-to-drive context. Topics included:

- Adolescent brain development
- Why young people take risks
- Communicating with young people
- The in-car relationship
- How to teach safe driving behaviours
- Further support and resources

The program takes a fresh new approach to address the key road safety issues confronting young people, while being strongly grounded in current research and best practice methodology.

Date: Wednesday 4th June 2014
Time: 6:30 - 8:30pm
Location: Castle Hill RSL
77 Castle St, Castle Hill NSW 2154

To book into Gen D – Tomorrow’s Safer Driver session for parents please email Imman Chakik from MTC Australia on ichakik@mtcaustralia.com.au

This session is developed to support Stage 5 of the NSW PDHPE curriculum.
