FROM THE PRINCIPAL

Student Successes
Congratulations to Year 9 students Brandon Chow and Mitchell da Silva Pereira who successfully auditioned for the 2014 NSW Public Schools Year 9 Drama Ensemble. The ensemble is a select group of gifted and talented student actors who meet once a week at the Arts Unit. There they are involved in a range of skills development workshops with select tutors from the performing arts industry as well as performing in events throughout the year. This is a wonderful achievement for these aspiring performers.

Congratulations also to Marcus Loy of Year 12 who will be attending the 2014 NSW Public Schools Senior Boys Hip Hop Workshops at the Sydney Dance Company Studios in Walsh Bay this week. This is an officially recognised activity of the Department of Education and Communities and while it is an extension of the work conducted at school Marcus has worked very hard to have been selected to attend the workshop.

FAME
FAME was FABULOUS! Once again our brilliant performers shone and put on an amazing show of skill, talent and pure genius. The actors, singers and dancers would certainly put any X-Factor, Voice or Idol show to shame. Congratulations to all the performers and crew who continue to make this a magnificent tradition to have as part of our culture here at Model Farms High School. I have had feedback from audience members who have both been coming for years and who, for some, this was their first time. Everyone agreed that it was an outstanding event.

Thanks also to the wonderful staff who auditioned, rehearsed, supervised or contributed in any shape or form over the past weeks in preparation for the shows. The hours of work involved are beyond belief and the school and community thank everyone for their time and effort. Once again FAME has highlighted what an amazing community we belong to.
Drama at the Farms
During week 8 I attended the Year 11 drama night where the students performed the group task they researched, scripted, designed and rehearsed throughout term 2. The piece was about the stories of asylum seekers and the various views and opinions expressed by Australians on this very emotive and contentious issue.

I was extremely impressed with the manner in which the topic was treated and the sensitivity with which the students portrayed their own, personal ideas. The group worked exceptionally well together and the quality of their drama skills was outstanding. This piece is not scheduled for another public performance but a Youtube video has been made and you can access that at http://www.youtube.com/watch?v=lqRdR889DmY&feature=em-share_video_user.

Congratulations to Mr Montgomery for preparing the students so well.
Tree Safety
Unfortunately we have just been advised that the beautiful gum tree at the front of the school has to come down as it is a risk to the safety of everyone who passes it on a daily basis. The tree is diseased and while stunning in nature, will eventually fall down. We do not want to have a situation as recently happened out in Pitt Town and so until it is removed we are asking that people do not use the front entrance to the school. Arborists and tree loppers will be employed by the DEC to have it removed as soon as possible.

Christina Bennet
Principal
FROM THE DEPUTY MR GRADY

Parent Teacher Night
On Tuesday 18 June, Model Farms hosted the Year 10 and Year 11 Parent Teacher evening. It was wonderful to see so many parents and students discussing progress with their teachers and working together to achieve the best they can. Senior study is without a doubt, a “step up” from the junior years. There is greater rigour, increased demands on time and in some cases, this can lead to disappointment if you were to only look at report marks.

However, a course report is much more than a single mark. I encourage everyone to pay particular attention to the comments your teacher has made, the learning profile and also, your rank. These three components provide an excellent balance to understand how you are progressing. The mark can also be beneficial in understanding your state of play, though it is certainly not the be all and end all. Marks can easily be affected by the difficulty of an assessment task or the complexities of a particular unit of work.

I would like to take this opportunity to thank the teachers of Year 10 and 11 students, for the time on Tuesday evening as well as the thought that has gone into developing reports that assist students in improving.

Year 8 and 10 Course Selections
Throughout the last two weeks, information, booklets and forms have been given to Year 8 and 10 students regarding course selections for 2015. If your child has been absent and has not received their booklet or online selection form, they are to see me immediately upon return in Term 3.

Hand written and online selection forms are due by the following dates:
- Year 10  Monday 21 July (Week 2)*
- Year 8  Friday 25 July (Week 2)

*Year 10 students will be interviewed by panel members on Friday 18 July. Forms are not to be handed in prior to this date unless special permission has been given by Mr Grady.

School Program Evaluations
Each year, Model Farms High School undertakes evaluations of various whole school programs. In 2014, we will be evaluating the Year 7 SensAbility program and Year 8 Rock and Water program. These programs were implemented following the Scripture Review in 2013.

The purpose of the evaluations is to ensure the best possible outcomes for your child. As part of the evaluation, we would like to know the opinion of parents with children in Years 7 and 8. All responses are completely confidential. These surveys will be combined with other data tools to determine areas of strength and to identify ways that improvements can be made. Your completion of this survey is voluntary, though your
opinion is always highly valued. We ask that you complete the survey by Monday 14 July 2014. The survey will take less than 5 minutes to complete. To complete the survey(s), please click the link below.

THIS WEEK’S NEWS

Welcome to the latest addition to the Mathematics Faculty, Abigail Grace Dawson. Big congratulations to Matthew and Ashley.

The Model Mathematician
The final round of ‘The Model Mathematician’ was held on Tuesday 17th June 2014. This is a competition where two Year 5 representatives from each of our ‘feeder’ primary schools complete mathematical investigations with our Year 9 helpers. The presentation was on 24th June with the overall champions going to Winston Heights Public School by the narrowest of margins. Well done to all the teams.
Calculators:
Please make sure that all students have their own calculator. The Casio fx-82AU is sold at the uniform shop for $35. Different brands of scientific calculators work differently and it is important that everyone in a class has the same calculator. Students need this calculator from Year 7. It is vital for their progress that students are familiar with their calculator and know how to use the different functions.

Coming Events
Assessment Tasks for Year 12
In Weeks 1 and 2:
  • Year 12 Trials

Fun with Maths
How many 7’s are there between 1 and 100?

Have a Mathematical week,
From Jackie Dalton and the Maths Faculty Staff
FRANCE TOUR 2014

Three months have passed since our trip to France – and what a busy time it has been.

Our students, staff and parents all had a fantastic time touring France.

We arrived back home just in time for Anzac Day which commemorates Australian solidiers at the Battle of Gallipoli. More recently, as we approached the 6th June and the 70th anniversary of the D-Day Beach Landings, when the Allied Forces helped to liberate France, it was timely to reflect on our experiences in beautiful Normandy in the north of France.

It was very moving to stand on the grassy headlands on a beautiful spring day – birds singing, the sun shining on a glistening blue sea, a lone kayaker fishing on the calm waters - the very spot where 70 years earlier, the battled rated, bombs dropped and literally thousands of young lives were lost.

These were some of the more sobering experiences of the trip, along with the WWI War cemeteries around Ypres in Belgium, such as Villers – Bretonneux and Tyne Cot. Thankfully there were also light-hearted moments provided by our very knowledgeable tour guide, Patricia.

A quick trip to Arras and then by the TGV (Train a Grande Vitesse = very fast train!) to spend our last five days in Paris. It was a whirlwind week, finishing off in Euro-Disney, where the kids had a ball.

Then back home to Australia, tired and happy for the wonderful experiences we’d all just shared.

Below is a presentation given by two of our Year 10 students:-

Katrina

Hi I’m Katrina and this is Kaitlyn and in the April school holidays a group of 14 students from Years 10 and 11 went on the trip to France and Belgium.

Kaitlyn:
The trip was absolutely amazing, we enjoyed everything we did in the two weeks, and were impressed with the amount of places we went to.

Katrina:
On the trip we went to a range of places. After landing in Paris we drove to Caen where we went on a D-Day beach tour, to show us where the Allies landed on D-day on the 6th June 1944 in the Second World War. Caen was really pretty and the people there were very nice. After Caen we drove to Ypres in Belgium where we had a full day to explore the town and learn more about what happened in the war. The day ended with a ceremony at Menin Gate Bridge where our school laid a wreath in memory of the fallen soldiers, followed by Belgian waffles and hot chocolate!
Kaitlyn:
We then drove back into France to Arras where we went to the Australian School and Museum which were there to remember the Australians who rebuilt the town. We also went to Villers Bretonneux Cemetery and Memorial. After our time in Arras we caught the TAV train to Paris! In Paris we went to lots of places such as The Louvre, The Palace of Versailles, Champs-Elysee and the Arc de Triomphe, Notre Dame, Saint-chappelle, The Concergerie where Marie Antoinette was imprisoned before her execution, The Musee D'Orsay, of course the Eiffel Tower and last of all, Disneyland Paris!

Katrina:
My favourite part of the trip was going to the top of the Eiffel tower. The view from the top was amazing and we took lots of great photos of Paris. After we went to the Eiffel Tower we went on a river cruise on the Seine river, where we got to see Paris from a different viewpoint.

Kaitlyn:
My favourite moment was while we were on top of the Arc de Triomphe, the sun was setting and just as the sun went down, the Eiffel Tower lit up and twinkled. It was breathtaking. It was a once in a lifetime experience and we all had an incredible time. We learnt some new French and got to use the French we already knew. We learnt so much and it was a truly memorable trip. We really recommend taking the opportunity and having the time of your life.

We would also like to thank the teachers and parents who helped organise and attend the trip. We all had a lot of fun.

Thank you

Kaitlyn Findley 10ZFR
Katrina Swavley 10ZFR
FROM THE ENGLISH AND DRAMA

Congratulations to the following Faculty Merit Award recipients:

Year 7: Oliver Barbeau, Connor Louden
Year 11: Monica Patch, Nicholas West
Year 12: Bonnie Wong

International English Competition

Notes have been issued to the Gifted and Talented classes and it is pleasing to see so many students in other classes willing to take up the challenge. The English Test is an opportunity for students and parents to gain a measure of achievement in an external situation and provides comprehensive reporting. The documents and certificates are also suitable for inclusion in a portfolio.

So, think about this worthwhile opportunity and pick up a letter from your English teacher and enter the competition.

Final date for payment ($8.00) is 22 July 2014.

Mrs Coffey
Head Teacher English
"The play's the thing...."

Year 12 Advanced English Hamlet Excursion

On Friday 20th June, 12EAL travelled to the Seymour Theatre Centre at the University of Sydney to view a 3 ½ hour symposium of the Shakespeare tragedy *Hamlet*. Students were walked through key scenes by the director, who closely examined the language and production choices that make this one of the most performed and talked about plays in the world. This was an extremely valuable experience as students were able to look at the play critically and explore different perspectives. This excursion was an excellent forum to assist students with their Module B preparation and I look forward to seeing their wonderful *Hamlet* responses from the HSC Trials this week.

Ms C Letherbarrow
**Drama at the Farms**

Congratulations to all of our Drama students for what has been a huge end to the term!

MyDay is your day at CSU

Do you want a career that:
- is challenging yet secure?
- can take you from outback communities to international cities?
- gives back to the community?
- can change someone’s life?

Experience what it would be like to undertake study in the criminal justice or policing fields @ MyDay Bathurst

Our cutting edge teaching facilities, industry links and highly qualified staff help you develop the skills needed to be a sought after graduate.

When: Tuesday 1 July, 2014
11am – 2pm
2pm – 3pm Optional Campus Tour
Where: Charles Sturt University – Bathurst
Panorama Ave
Dress: Casual clothing

Please note that it is a requirement that enclosed footwear be worn on the day

Food: BYO or food and beverages can be purchased from the on campus food outlets

Find out more about our Policing courses @ www.csu.edu.au/courses

A CSU degree can take you all over the world before you even graduate!
Travel and study through various CSU Global programs in destinations including North America, Europe and Asia.

Did you know?
- You can gain employment with NSW Police whilst finishing your Bachelor of Criminal Justice (Policing) degree.
- Studying criminal justice can lead to careers in: corrections, probation and parole; working with offenders & families, juvenile justice; justice research and policy making.

See your Careers Advisor for a Registration Form or register your interest at: www.csu.edu.au/contacts/myday

School-to-Work Program

Whether you are wanting a casual job whilst still at school, contemplating applying for an apprenticeship or just wanting to leave school and ‘get a job’, this could be what you need to succeed!

Sessions are specifically designed for students transitioning from school to work and are highly relevant to all roles whether casual or permanent.

Sessions are limited to a maximum of 4 students. Morning and afternoon sessions are available.

Sessions include but are not limited to:
- Resume preparation including content and layout
- Interview Preparation
  - Look the part
  - Interview Styles
  - Answering tricky questions
  - Selling yourself
  - Questions you can ask
- How to ensure you are a standout candidate
- And much, much more!

Sessions are conducted in Norwest Business Park and Sydney CBD near Wynyard/Martin Place.

Cost: $225 per person (cost) and if you bring a friend you will both receive a 5% discount. 
(For 5% discount to be received, two attendee names must be provided at the time of booking.)

Phone to book now on 02 9231 3411 to book as sessions will fill quickly!

Wendy De Audney is the Managing Director of a successful Sydney Recruitment company. Wendy has previously
Dental Assistant Traineeship

Information Day

We are holding an information session for people who are interested in applying for the Dental Assistant Traineeship to commence in 2015.

The session is designed to give you all of the information you will need to know about a traineeship in Dental Assisting in the Western Sydney Local Health District.

You will hear about what being a Dental Assisting Trainee involves, what a traineeship is and what you can expect during training. You will have the opportunity to speak to current and past Dental Assistant Trainees and to ask questions.

Monday 1st September 2014
Registration at 12.30pm to commence at 1pm sharp

Lecture Theatre 1
Westmead Hospital Education Block
(street parking is limited, paid parking on hospital campus, gold coins needed)

Please register your interest by Friday 22nd August
Email: Alison.Webb@health.nsw.gov.au
Or phone: 9845 7535
International Student Volunteers

is a renowned organisation that connects students from around the world with volunteer projects focused on grassroots development and conservation initiatives. The project I will be contributing to is conservation based and involves at least 80 hours of volunteering in South Africa over a two week period. This experience will broaden their awareness of environmental issues and give the students hands-on, practical experience in conservation initiatives. Our team will be dedicated to working in areas such as endangered species protection, community education, scientific research and habitat restoration while receiving valuable education in sustainable management of resources and responsible use of the natural environment.

ISV Donations

Thankyou to “Mike Samson Clothier” at Winston Hills Mall for the donation of a Gift Voucher

‘We appreciate your support’

ISV BBQ and Jersey Day

Thank you to all staff and ISV helpers for our very successful fundraising effort! A special thankyou to the SRC for their help and to Liam and Mitchell in Year 12 for lending a hand at the BBQ.

Next term we will be doing more fundraising to help send our International Students volunteers to South Africa! Please support this fantastic program by participating in our fundraising activities throughout the year! If you are able to donate gifts for prizes or offer any sponsorship please contact Kellie Lumley on 96243133 or email: kellie.lumley@det.nsw.edu.au
