FROM THE PRINCIPAL

Student Success
Congratulations to Ryan Anderson of Year 8 for being selected in the Sydney West Regional Trampoline Team to compete in the State Championships at Niagra Park in Gosford later this month. This is a sport that we do not offer here at school so it is obvious that Ryan has trained hard outside of school in order to reach this level of competition.

Well done Ryan.

Year 11 Camp
Our annual Year 11 Crossroads camp concluded last week with a very successful three days at the Outdoor Education camp at Morrissett. The main focal point of the camp is to explore more about positive relationships and the effects of drug use on the mind and body. Students received lectures on these topics and through the physical exercises, were challenged to find their inner strength, take reasonable risks and realize that adrenaline rushes can be achieved in other, more positive ways. The added benefit of course is that students get to interact with each other in a setting that is free of competition and judgment. All in all, a very successful camp was enjoyed by all. My thanks to Mr Birrell for his impeccable organisation and to the other staff who attended and supervised.

HSC Drama and Dance Nights
It was a pleasure this week to see our HSC students perform their pieces as practice before their HSC marking dates which are fast approaching. Dance students will be marked by visiting HSC markers on the 11th and 12th of August while Drama students will perform for their team of markers on the 18th of August. These performance nights in front of a live audience is tremendous experience for our students and their focus in the coming days will be to perfect their group and individual pieces. We wish them all the very best of luck for what will in essence be, the start of their HSC.
Chinese Students
This week we hosted 19 students and 1 teacher from different schools around China who were visiting Australia as part of an international study tour. This was a late request we had after the tour organiser was left without a school for the students to attend. The Chinese students, mainly boys of varying ages, were buddied with one of our students and they attended all of the regular classes our students would have attended each day. We did have a few small activities associated with our Australian culture organised for them as well as a farewell BBQ on their last day. All reports have been extremely positive with everyone finding the international mingling a boost to our multicultural program at the school and to our international relations. I thank Ms Leghorn who liaised with the DEC International Students Program and for pulling something together at such short notice.

School Planning 2015 - 2017
Model Farms High School is about to start it's planning for the next three year period. This involves us communicating with all our stakeholders - staff, students and parents - so that we can develop a plan that is inclusive of as wide a range of ideas, opinions and suggestions as possible.

We are therefore seeking your input into determining the strategic directions we will set for our future. Please assist us by giving us some ideas based on 'big picture' questions. We have created a 6 question survey and invite members of the community to share their ideas with us. The survey can be accessed at https://www.surveymonkey.com/s/KMFHBYJ

Prestigious Scholarships
The Public Education Foundation has opened applications for a range of prestigious scholarships for NSW public school students. Fifteen scholarship categories are currently open and public school students are strongly encouraged to apply for the 2015 school year. The scholarships include opportunities for students from a refugee background, students interested in pursuing the study of Italian language and for students with a physical disability transitioning to tertiary study. Other scholarships are available for students with an interest in medical science as well as for students interested in a career in trades and technology and many more.

Students who are interested in applying for a scholarship can download an information pack from the Public Education Foundation website www.publiceducationfoundation.org.au/scholarships or contact the Public Education Foundation at info@publiceducationfoundation.org.au or 02 9266 8681.

A full list of scholarships is printed further in this newsletter

Christina Bennet
Principal
FROM THE DEPUTY MR GRADY

HSC Examinations
Week 5 sees our Year 12 Dance students commence their HSC. I would like to wish each and every student the best during this time and thank the staff and students supporting our candidates for their time and effort in reaching this point.

Entrance to the School
Although sad to have the beautiful gum tree at the front of the school removed since being deemed unsafe, we are certainly happy to have this area open to student and public access. I would like to thank the students, staff and community for their patience during this process as it was certainly inconvenient, though necessary due to the safety concerns the tree posed.
Year 12  Post-Trial HSC

Last week, I took the opportunity to talk to the Year 12 group about Term 3, examinations and managing their time effectively. I spoke at length about avoiding “slackening off”, once the Trial examinations are over, as there is considerable ground to be made in the weeks from now until the commencement of the formal examination period in Term 4.

Experience has led me to share three things that will assist in gaining as much from the HSC as you can, with no time like the present to kick start, if you haven’t already. The 3 points are:

- Attendance (you need to be here to learn effectively and prepare)
- Engagement (be involved in the lessons and ask questions if you do not understand)
- Effort (this is the time to move up a gear and prepare for the examinations. Don’t fall into the trap of slowing down now)

Have a great week,

Mark Grady
Deputy Principal
FROM THE DEPUTY MS PLEDGER

This morning we celebrated the successes of our Year 7 and 9 students with a wonderful breakfast and assembly. Congratulations to all of the students recognised today. You deserve the attention and accolades and this is a reminder that your efforts are always valued at your school, Model Farms High.
Exemptions from school
There are times when it is necessary for families to take holidays during the school term. If
leave is needed, exemptions from attendance at school for short periods of time can be applied
for by families. At Model Farms High, the exemption procedure is for students to bring a letter
from their parents to the front office stating the dates that the student will be absent and the
return date. At this time students will be given a form for them to collect work from their
teachers. This form confirms any work that needs to completed while they are absent from
school. It is essential that students start this process early so that they have time to see all their
class teachers. This form then needs to be returned to the front office. If a student fails to
complete this process, an exemption may not be approved and the absence will be recorded as
leave.

For senior students, parents need be aware that the Model Farms High Assessment Policy as
stated in the Assessment Booklets for both Preliminary and HSC states “Apart from exceptional
circumstances, holidays are not grounds for an Illness or Misadventure Appeal.”

Have a good week,
Jennifer Pledger
Deputy Principal

FROM THE FACULTY THAT COUNTS

Congratulations to the following Maths merit recipients:

**Year 8**

**Year 11**

*Year 12 students* avoid the end of term rush and hand in your Maths merits as soon as possible so that we can issue faculty merits for you in time to have them count towards your bronze, silver and gold awards. Check all of the places at home that you could have left Maths merits over the last 6 years; desks, cupboards, wardrobes etc. After this week you only have 6 weeks to go!!

This Week’s News Assignment Season:
Yes, it’s that time of year again! The table below sets out the due dates. Please encourage your child to start their assignments when they receive the instructions, so that they will be able to complete their work by the due date. Please ensure that they follow the marking criteria. Any assignments submitted after the due date will have 10% of their mark deducted for each day that the assignment is late. Difficulties with access to computers is not a valid excuse for late submission as students have access to computers from 8am to 3.30pm every day in the library.

**Calculators:**
Please make sure that all students have their own calculator. The Casio fx-82AU is sold at the uniform shop for $35. Different brands of scientific calculators work differently and it is important that everyone in a class has the same calculator. Students need this calculator from Year 7. It is vital for their progress that students are familiar with their calculator and know how to use the different functions.
**Free Maths Tuition:**

Free Maths tuition is provided every Thursday afternoon after school from 3pm to 4pm. Years 7 to 10 are in room 8-07 and Years 11 and 12 in 8-06. It is fully supervised by the Mathematics Faculty.

---

**Maths Competition**

The Maths Competition was on 7th August and we are looking forward to receiving the results.

---

**Handy Maths Apps**

If you have a favourite Maths app for phone, ipods or ipads etc, please email Mrs Manson on Amanda.Manson2@det.nsw.edu.au with the name, a web link if possible and a short description of it. We can include these in future newsletters.

---

**Fun with Maths**

Year 7 has recently studied Probability. Here is a link to a website for the game ‘Probability Pond’ http://www.free-training-tutorial.com/math-games/probability-pond.html?1& Games help to engage students and reinforce learning.

---

**Have a Mathematical week,**

**From Jackie Dalton and the Maths Faculty Staff**

---

**OZTAG**

Girls, Boys & Mixed Oztag

Oztag is the fastest growing junior sport in the Hills District with over 150 teams playing in 2013.

**When:** Friday afternoons from 12 September, 2014 at Crestwood Oval

**Cost:** $75 including team shirt. Oz Tag shorts $25

**Ages:** 5 to 16. Boys, Girls and Mixed Team registrations and Individual Registrations accepted. Boys and Girls Representative teams from Under 8’s.

**Registration Dates:**

Friday 8th August, 2014 4pm to 7pm at Crestwood Oval.

Thursday 14th August, 2014 4pm to 7pm at Crestwood Oval.

**Further information:**

NEWS FROM THE DANCE SPACE

DANCE... the subject that moves you

Tickets for THE HILLS PERFORMING ARTS FESTIVAL go on sale this Friday. Model Farms High School will be performing on the evening of Friday 5th September at the Evan Theatre in Panthers Leagues Club. This is a great night out, enjoy a meal then catch the show. Model Farms is being represented by Year 11 Dance performing their item Teardrops and Year 9 Dance performing The Arena. Looking forward to another great performance opportunity for our elective dance students.

I am planning to increase our numbers in the MODEL FARMS DANCE ENSEMBLE later this semester, so we can start planning our activities for next year. Ensemble members need to be trained in contemporary dance and be able to commit to rehearsals each Wednesday after school.

C. MIDDLETON

Some reminders:

Year 9 Dance - Term 3: DYNAMICS Assessment & Safe Dance Booklets
Year 11 Dance - Term 3: APPRECIATION Assessment & Yearly Exam Preparation (Exam: Composition criteria 1a & 1b, Performance Skills phrases, Fallen Angels)

Stretching rules for dancers

Any ballistic (i.e. bobbing, lunging, bouncing) types of stretching should be avoided. It is a sure-fire way to damage muscles or tendons. Safe stretching is when muscles are slowly placed in a stretch and then held in that position for 10–15 seconds.

1. Rules for stretching

- do not stretch cold muscles
- do stretch before and after exercise (active stretching during the warm up, static stretching during the cool down)
- do stretch all muscle groups
- to increase flexibility do stretch when your body is thoroughly prepared (in contrast to stretching whilst relaxed to increase range and mobility as you might do in a warm-up)
- do stretch gently and slowly; do not bounce
- do stretch gently to the point of mild discomfort, never pain
- do not hold your breath; breathing should be slow and easy
- do not make stretches competitive
- avoid partner stretching as your partner cannot judge your pain

Remember: pain is not progress but a signal that you have gone too far.
FROM THE HSIE FACULTY

On the 5th of August, the world commemorated the 100th anniversary of the beginning of World War One (1914 - 1918). For Australia as well as for many other nations, the Great War remains their most costly military conflict ever in terms of the number of casualties and wounded. From a population of fewer than five million people, 416,809 men enlisted, of which over sixty thousand were killed and 156 were wounded.

This week, the eyes of the Commonwealth turned to Australia as we marked the beginning of these commemorative ceremonies. Thousands of people gathered at the former military base of Portsea in Victoria, to remember the firing of the first shot by the British Empire at the start of the Great War.

Australian John Purdue - a 24 year old sergeant with the Royal Army's Garrison Artillery - was stationed at Fort Nepean at the tip of the Mornington Peninsula. At 12:45 pm, on the 5th of August 1914, he was ordered to fire on the SS Pfalz. The German merchant ship was attempting to flee Melbourne just four hours after hostilities between Britain and Germany began. The ship was carrying German consular officials and contraband, it was captured by Australian forces and used as a troop ship during the duration of the war.

During the next four years, many other ceremonies, research projects and events will be held around Australia to mark this important anniversary. Semesterised classes of Year 9 History students at Model Farms HS have already undertaken studies in WW1 this year and the rest of the cohort will soon follow. We encourage all students to take an interest in these celebrations as an opportunity to further their knowledge an understanding of Australia’s role in the war and the sacrifices made by the soldiers and their families.

Lest We Forget

HSIE Reminders:
Year 7 Geography Tourism assignments will be handed out to students in Week 5.
Year 9 Geography Natural Hazards assignments will be handed out to students in Week 5.
Year 10 Geography Stage 2 of Fieldwork Report - due this Wednesday 13th of August.
Year 12 Business Studies HSC Task 5 (in class extended response) is taking place Friday 15th of August.

L. Medina for HSIE Faculty
Espoir Events Family Disco Night

William Blue College of Hospitality Management has been creating the next generation of Hospitality Managers for over 20 years. Espoir Events is a student formed group of young women studying and Advanced Diploma in Event Management.

Espoir Events will be hosting a family disco night in proud support of beyondblue on Friday August 15th 2014 at Model Farms High Baulkham Hills. We have some amazing prizes to be won, live bands and performers, DJ and a special guest speaker from beyondblue.

Most Australians have some experience with anxiety and depression, whether it is personal or via family, friends or work colleagues. beyondblue’s work is aimed at achieving and Australian community that understands depression and anxiety, empowering all Australians, at any life-stage, to seek help. beyondblue raises awareness, reduces stigma and ensures people have access to the information they need to support recovery, management and resilience.

What we are asking is for you to be a part of our community event. So dust off those dancing shoes and come join us in busting a move and making a difference, we hope to see you there. If we can sell 100 tickets from the school our Event Manager Jade Bulman will dress up as a minion.

Warm Regards
Jade Bulman
FROM THE CAREERS FACULTY

CAREERS SUBSCRIPTIONS
Model Farms subscribes to two excellent Careers websites Jobjump & Mhscareers that all students from year 9 to 12 should be signed up to. Students, parents and staff are welcome to sign up. The websites include occupational information, videos, interest tests, sample letters, Resumes, interview questions, links to UAC, TAFE and Private college websites and much more. They will send you Careers alerts for open days, information evenings, scholarships and other events related to your chosen career interest areas.

WWW.MODELFARMS-H.SCHOOLS.NSW.EDU.AU
Bluescope is a world-class steel solutions business operating in Australia, Asia, the United States and New Zealand. Our experience, teamwork and ability to deliver inspired solutions are our most valued and rewarded strengths.

At Bluescope we pride ourselves on our strong tradition of attracting, retaining, supporting and developing young talent through our Cadetship program. A Bluescope Cadetship is more than just a job; it’s a career with great opportunities!

Seize the opportunity to complete your degree whilst gaining exceptional on-the-job training together with other motivated young people just like you. Our Cadetships combine part-time study at the University of Wollongong and full-time work (some full-time study options are available).

We support you through your degree with an education allowance of $4,500 every year, time off every week for uni, and a great support network of cadets and cadet coordinators. All this plus a great starting salary of approx. $30,000.

Next intake will be Cadetship opportunities in the following areas:
- Materials Engineering
- Chemical Engineering
- Mechanical Engineering
- Electrical Engineering
- Computer Engineering
- Mechatronics Engineering
- Chemistry
- Information Technology
- Procurement and Shared Services

So if you’re in Year 12 or first year at university and have a keen interest in Engineering, Commerce or IT, visit our website www.bluescope.com.au/cadets to find out how you could build yourself a brighter future.

Applications are open on 1st July and close on 31st August 2014.

University of Western Sydney
Bringing knowledge to life

THINKING OF STUDYING

AT UNIVERSITY?

 Didn’t get the marks in high school or TAFE?
 Didn’t finish the HSC?
 Haven’t gained enough work experience?

No worries. All Aboriginal and Torres Strait Islander students can apply to study at the University of Western Sydney through the Badanami Alternative Entry Program. No HSC, ATAR or work experience is required.

Testing dates:
2–3 June and 10–11 November 2014
Kingswood campus

To apply, please call 1300 897 669,

Course Spotlight: Styling Savvy 301 (Accelerator)

25 August, 5.5 days

Coco Republic Design Centre, Sydney

Indulge your passion for interior styling and decoration with Styling Savvy 301 (Accelerator) to develop a professional creative portfolio. In one week, you’ll learn the art of styling inspiring interior schemes with success by working on a client brief from floor plan layout to selecting finishes. For more information or to enrol now, [click here](http://shopfront.org.au/applications-open-for-2015-bbmpact-travel-scholarship/).

New Course Date: Masterclass Drawing and Illustration

13 September

Coco Republic Design Centre, Sydney

Visually communicating your interior style ideas is an art. Immerse yourself in the world of design to develop the mechanical skills to render basic floor plans, representing placement of furniture, furnishings and finishes. In this one day Masterclass, you’ll learn how to visually present your design concepts either for your own project or for a client.

For more information or to enrol now, [click here](http://shopfront.org.au/applications-open-for-2015-bbmpact-travel-scholarship/).

The J Holden Family Trust Scholarship provides support for students commencing at the Conservatorium High School in 2015. Open to applicants in NSW and the ACT.
The Capital Chemist College Scholarship supports ACT students in their final year of school at a senior secondary college. ACT applicants only.

The Unions NSW Metropolitan Scholarship and The Unions NSW Rural and Regional Scholarship supports outstanding NSW public school students with an interest in unionism and social justice. NSW applicants only.

The Medich Foundation Elizabeth H Blackburn Scholarship is for outstanding year eleven or twelve students in Western or South Western Sydney interested in pursuing a career in medical science.

Students who are interested in applying for a scholarship can download an information pack from the Public Education Foundation website www.publiceducationfoundation.org.au/scholarships or contact the Public Education Foundation at info@publiceducationfoundation.org.au or 02 9266 8681.

Note – Specific criteria and terms and conditions apply for each scholarship. Interested applicants should check the PEF website for further information or contact the Public Education Foundation.
Parenting Strategies Preventing Depression and Anxiety

The University of Melbourne, with funding from beyondblue, has developed new guidelines for parents to reduce the risk of their children developing depression or anxiety.

How to reduce your child’s risk of depression and clinical anxiety: Strategies for parents of school aged children is a general set of recommendations that may also be useful for parents whose child is already experiencing some symptoms of depression or anxiety. The University of Melbourne and beyondblue recognise that each family is unique, and so parents may need to adapt these strategies to their specific situation.

To view the guidelines, please visit www.parentingstrategies.net/depression

PARKING AROUND SCHOOLS

OBEB PARKING SIGNS IN SCHOOL ZONES AT ALL TIMES TO PROTECT CHILDREN

ZERO TOLERANCE

When it comes to the safety of vulnerable road users like school children, drivers found breaking the law will be met with zero tolerance.

When an offence is detected, you will be fined.

The Hills Shire Council’s Compliance Officers will be enforcing parking regulations at your school.
There are now increased penalties and demerit points associated with all offences in School Zones.

**No Parking**
You have no more than 2 minutes for drop-offs or pick-ups and must stay within 3 metres of your vehicle.
Penalty from $173 and 2 demerit points

**No Stopping**
Under no circumstances are you permitted to stop on a length of road to which a No Stopping Sign applies.
Penalty from $311 and 2 demerit points

**Bus Zone**
You must not stop your vehicle in the indicated zone unless you are driving a public bus.
Penalty from $311 and 2 demerit points

Fines current as of July 2014
For a complete list of school zones offences visit www.rms.nsw.gov.au
Parking Rules & Penalties Fact Sheet

BUS ZONES

You must not stop your vehicle in a Bus Zone unless you are driving a public bus.

Stopping includes when the vehicle is not moving but the engine is still running.

SCHOOL ZONE
Penalty from $311 and 2 demerit points

Council’s Compliance Officers enforce parking signs at your school.
For more information please contact The Hills Shire Council on 9843 0145
