Parking on Redmond Avenue
Last week at the meeting of the School Council, I was advised of concerns regarding car parking on Redmond Avenue, near the bus bay, particularly at student arrival and departure times. Redmond Avenue is a relatively narrow road, serviced by numerous school buses and used by a large number of students at the start and the end of the day.

I am asking that all parents and students who drive, to be particularly cautious in this area. Any parking outside of the designated areas creates problems for larger vehicles and as is also my concern, can create a dangerous situation for our students.

HSC Exams
I would like to wish our Year 12 HSC Music students the best for their performance examinations in Week 7. A great deal of rehearsal has gone into the preparation for this exam. Good luck everyone and do your best.

CHS Baseball
I would also like to wish our CHS Baseball team every success in their 4th attempt to play their Quarter Final against Hunter Sports High School in Newcastle. The recent weather has proven to be the greatest obstacle this team has faced and the school wishes this highly successful group of boys the best in their away game.

HSC Major Works
Last week, students undertaking study in the HSC Course, Industrial Technology – Timber, had their major works marked by the external examiners. There were some great ideas presented this year. Well done students, and please enjoy a small sample of the projects below.
Have a wonderful week,

Mark Grady
Relieving Principal
FROM THE DEPUTY

Hopefully, the wet weather will leave us soon! It does create a few problems with regards to wet uniform pieces. Just a reminder, that if for any reason your son or daughter is unable to wear the correct school uniform, then they should preferably have a note from home explaining the reason. On arrival at school they should get an out of uniform pass from the designated head teacher for each year group. There is a list of these on the wall outside of both deputy principal’s offices, for anyone who may have forgotten. We thank the majority of parents and students who follow these procedures.

We are fortunate at Model Farms to offer an array of extra curricula activities to help meet the needs of our school population. Of course, if the students miss any classes because of these different activities, there is an expectation that they will work with their teachers to catch up on any missed work.

I had the great pleasure of seeing the talents of our Year 12 Visual Arts and Industrial Technology Timber students, who displayed their major projects prior to HSC marking over the last week. The detail and quality of their work is just amazing. Congratulations!

Our Year 12 music students perform their practical pieces to HSC markers in the coming week. There have been some dedicated rehearsals happening in readiness for this big event. We wish them good luck too and also to our Beginner French student who did her HSC speaking exam on Saturday.

Have a great week

Discover the World on a WEP Student Exchange Program!
Are you ready for a bit of excitement and culture in your life? Looking to push your boundaries in 2015? Why not participate in a semester or year-long student exchange program to one of over 20 countries, including popular destinations such as the USA, France, Argentina and Italy? **Applications for January programs are still open but will close soon!** Don’t miss out on this once-in-a-lifetime opportunity to do something out of the ordinary, with a WEP high school exchange!

Sarah in Belgium: “I really loved the orientation in Brussels, I had such a fun time. My host family were really welcoming of me and have kept me distracted for the first few weeks, which has helped a lot. In fact, I’ve barely felt homesick compared to what I was preparing myself for! The students were all very excited to have an Australian around that they could speak English with! During classes I mostly do French worksheets that they have given to me, or try to translate the worksheet that the rest of the class is focusing on.”

**Early Bird Special!**
WEP is offering students in years 9 to 12 (excluding year 12 in VIC) a $500 discount off the 2014/15 program fee towards a semester or year program to any of the following countries departing in July - September 2015: Brazil, Belgium, France, Germany, Italy, Mexico, The Netherlands, Poland, Spain, Norway, Thailand or the USA. Simply submit your full application online **before 28 Nov ’14.**

*Year 12 students* avoid the end of term rush and hand in your Maths merits as soon as possible so that we can issue faculty merits for you in time to have them count towards your bronze, silver and gold awards. Check all of the places at home that you could have left Maths merits over the last 6 years; desks, cupboards, wardrobes etc. After this week you only have 3 weeks to go!!

**This Week’s News Assignment Season:**
Yes, it’s that time of year again! The table below sets out the due dates. Please encourage your child to start their assignments when they receive the instructions, so that they will be able to complete their work by the due date. Please ensure that they follow the marking criteria. Any assignments submitted after the due date will have 10% of their mark deducted for each day that the assignment is late. Difficulties with access to computers is not a valid excuse for late submission as students can have access to computers in the library from 8am to 8:35am 3pm to 3.30pm and also at recess and lunchtime every day. Any students who are experiencing difficulties with their assignment need to discuss it with their teacher.

The Year 7 Smarties assignment was due Tuesday 26th August.

If a student in Years 7 to 10 is absent from school on a day when an assignment is due because of illness, a letter from a parent or caregiver stating that the student was sick and/or a doctor’s certificate must accompany the assignment. This letter will be in addition to the absence note for the front office. If this is not done, the normal penalty of 10% off the marks per day will apply, as per school policy.

**Year 11 Yearly Exams:**
Year 11 will do their Yearly Examinations for their Preliminary courses in weeks 9 and 10 of this term. Here are Mrs Aldabbas’ tips for effective study.

### Mrs Aldabbas’ Tips for effective study

1. Study in a quiet environment.
2. Break big tasks down into manageable chunks so you’re not overwhelmed.
3. Use a variety of study techniques - reading, writing, diagrams, question-and-answer, note-taking, summarising and essay formats all help you prepare for the different types of questions you will get in the exam. Plus, they work in different ways to help you learn and remember.
4. If you don’t feel well prepared, don’t worry about what you can’t change and focus on what you can do in the time remaining.
5. Try to exercise regularly and eat a balanced diet.
6. Get sufficient sleep and try to stick to a routine.
7. A little bit of anxiety is not a bad thing - it’s to be expected and can enhance performance. However, let someone know if you’re feeling overwhelmed.
8. Have regular breaks. After a while concentration decreases and you become less productive.
9. When you take a break - enjoy it. Don’t spend this time worrying about what you should be doing.
10. Stay positive.

**CALCULATORS – IMPORTANCE NOTICE:**
Students need to have their own calculators for topic tests and other assessments and there is no borrowing. In cases where students forget their calculators for an assessment task, we have some spare calculators in the faculty that are available for students to borrow on such occasions. Calculators are part of the required equipment and student must have their own.
There can be **no borrowing of calculators from other students during a test** and no allowance can be made for students who do their exam without one.

**Calculators:**
Please make sure that all students have their own calculator. The Casio fx-82AU is sold at the uniform shop for $35. Different brands of scientific calculators work differently and it is important that everyone in a class has the same calculator. Students need this calculator from Year 7. It is vital for their progress that students are familiar with their calculator and know how to use the different functions.

**Free Maths Tuition:**
Free Maths tuition is provided every Thursday afternoon after school from 3pm to 4pm. Years 7 to 10 are in room 8-07 and Years 11 and 12 in 8-06. It is fully supervised by the Mathematics Faculty.

**Fun with Maths**
*This week’s question:* Rolling three (six sided) dice resulted in three different numbers and their product was 48. What could the numbers be?

*Last Week’s Question:*
If three people greet each other with ‘good morning’, it will be said six times. If eight people greet each other with ‘good morning’ how many times is the phrase said then?

*Answer:* \((8-1) \times 8 = 56\) which is the number of people minus 1 (you don’t say good morning to yourself) times 8. The original problem was \((3-1) \times 3 = 6\).

**Brett Murray’s Anti - Discrimination Talk**

On Tuesday last week, the students of Years 7 & 8 were audience to a captivating session by Brett Murray, the world's leading Anti-bullying authority in action and an expert in Cultural Change. Speaking most passionately about the people he has met and interacted with; his amazing insights into the youth culture and his firm belief on the powerful potential of the youth; the four time Australian of the Year nominee had the rapt attention of our junior students.

In his very unique style, mixing humour, electric energy, unquenchable passion and infectious enthusiasm coupled with amazing and informative content, Brett Murray had a very positive influence.

Sharing a few nuggets from the day –

- With vision comes provision.
- We’ve got planet shakers, history makers and ground breakers in this room today.
- I want to give to the youth and the world, what I did not get as a youth.
- Look for ways that you can make a difference.
- Don’t tell me your past has to define your future.
- Excuses are like armpits: everyone’s got a couple and they stink!
- YOU – you are my inspiration. Every person I meet is my inspiration!
