FROM THE PRINCIPAL

Student Success

Congratulations to Year 10 student Abbey Sim who has been selected to be part of the Junior State Debating Met West Representative Team. She will now attend the Junior State Debating competition at Women’s College at the University of Sydney at the end of November. This is a terrific achievement for Abbey who is also a member of the very successful Model Farms Year 10 debating team who are also about to enter the semi-final stages of the Premier’s Debating Competition.

2015 HSC

Our Year 12 students are now half way through their HSC exams. The Presiding Officer and his team report daily to me that everything is going well and that our students arrive on time, follow the rules and are polite and courteous at all times. All of this means less stress for them and us. Some are completely finished having had all their exams in these first two weeks while others still have the prospect of not finishing until the very last day. Either way, we know that they will all rejoice when they are finally over and they can at long last relax.

Student Leadership Team

Last week 16 wonderful young people threw their hats in the ring and put their hands up to accept the challenge of leadership. Every single one of them spoke very well with some extremely thoughtful and insightful reasons about why they should be School Captains and leaders. The new leadership team has now been announced and I congratulate the following fine young people who have been elected by their peers and staff to lead us into 2016.

Captains - James Norcott and Paige Van Aswegan
Vice-Captains - Ben Eden and Emily Jenkins
SRC President - David De Angelis and Ranuli Athauda
SRC Executive - Rohan Kandan-Smith and Holly Palmes
Sport Captains - Tim Martin and Jacqueline Smith.

I look forward to being inspired by what they have to bring to the roll and the school.
Mitchell Youth Leadership Forum

On the first weekend of term, 8 Year 11 students attended the Mitchell Youth Leadership Forum run by our Federal Member of Parliament, Alex Hawke and a team of motivational young people who seem to come for the Forum one year and then volunteer to help run it after that!

The Forum is a two-and-a-half-day live-in program for Year 11 students who reside in or nearby the Mitchell Electorate. The program is strongly based around the values of service to others, integrity and courage. It is non-political and non-religious.

It is a chance for students to come together and share thoughts and ideas on how to be great, inspirational leaders in their schools. At Vision Valley, they experience the wisdom of exceptional leaders and speakers, as they share their personal stories and secrets about what it is to be a great leader every day.

The program features a mixture of guest speakers, workshops and activities (at Vision Valley), as well as a community service project (in the electorate), as part of which everyone implements the principles that they have learnt over the course of the camp.

This year it was pleasing to see how many of our past students are now leaders at the Forum and they made sure that our current Year 11 students were well taken care of. This photo shows our past students at the back and our current students to the front.
SRC support Balinese school
The generous donation of $1,000 made by our SRC has arrived at Samuh Tunas Harapan, a small school teaching English to local students near Candidasa, East Bali. These funds will allow the school to pay for a teacher for a whole year or more as well as buy teaching resources. It is hoped these students will grow up being able to speak English and therefore have a better chance at getting jobs other than farming. There was great excitement when the cheque arrived and it is good to know that our students who live in what can be described as a fairly privileged country, can think globally and reach out to those in need around the world.

World Teachers’ Day
Since 1994 World Teachers’ Day has been held annually on October 5 around the globe and some of you may have seen Facebook posts etc. acknowledging the work of our profession. As this date usually falls in our October holidays, World Teachers’ day in Australia is held on 30th October instead. Celebrated in more than 100 countries world-wide, World Teachers’ Day was established by the United Nations Educational, Scientific and Cultural Organisation (UNESCO) to recognise the role of teachers in society and to show awareness, understanding and appreciation for the vital contribution that teachers make to education and development.

Every day, teachers at Model Farms High School are making a difference educating and inspiring young people in our community. As Principal I acknowledge the efforts of teachers in an increasingly complex, multicultural and technological society and appreciate the contributions they have made to your children. On their behalf I also thank the support this school receives from our parent body. It would be infinitely more difficult without that.

Christina Bennet
Principal
FROM THE DEPUTY PRINCIPAL – MR GRADY

Year 11

During Week 2, Year 11 students were issued with 3 important documents.
- HSC 2015/2016 Assessment handbook
- HSC Rules and Procedures booklet
- HSC Assessment Handbook letter of receipt

I encourage students and parents to read all of these documents carefully, so that you understand the rules and procedures associated with HSC study. Please ensure the letter of receipt has been returned to the school (due by Monday 19 October).

The Year 11 In Focus Evening will be held at the school on Monday 16 November, from 7pm to 8pm. This evening provides parents and HSC candidates with a valuable insight into study techniques, key dates and experiences from past students and parents.

Year 7 Gifted and Talented Class

On Thursday 22 November, 7B participated in a team based problem solving activity, where they were required to build a bridge out of straws and paperclips across a 60cm span, to hold as much weight as possible.

Feedback from the students indicated they loved the activity, working in teams and solving the practical problem. Overall, all bridges were able to hold at least 2kg, which is an outstanding effort. Well done to everyone involved, and especially to Mrs Aldabbas for her time and effort in planning the activity.
Keeping Safe

During the week, a member of the community reported to me that on Wednesday, a group of Model Farms students were on the roof of the clubhouse of the Tennis Courts opposite Winston Hills Mall.

Students have been reminded of how unsafe this practice is, as well as the negative image of the school their actions portray. I would like to encourage parents to speak with their children and remind them of the dangers of such actions, particularly after rain. In the end, our student’s safety is paramount.

Have a wonderful week,

Mark Grady
Deputy Principal
Communication
I included this in a previous newsletter but thought it was worth repeating and well as adding some more information.

There are many school staff members who spend time with your child or have responsibility for different aspect of school life and it is often difficult to work out with whom you should be communicating. The following information will point you in the right direction.

<table>
<thead>
<tr>
<th>Area of Enquiry</th>
<th>Initial Contact</th>
<th>Further contact or for complex issues</th>
</tr>
</thead>
<tbody>
<tr>
<td>Student becomes ill at school</td>
<td>The office staff MUST be the ones who contact parents – please don’t ask your child to contact you directly. This is a procedure that we must adhere to due to child protection and custodial issues.</td>
<td>N/A</td>
</tr>
<tr>
<td>Student progress in a particular subject</td>
<td>The classroom teacher concerned</td>
<td>The Head Teacher of the Faculty</td>
</tr>
<tr>
<td>Student conduct and general progress, in more than one subject</td>
<td>Year Adviser</td>
<td>Deputy Principal for that cohort</td>
</tr>
<tr>
<td>Student welfare issue</td>
<td>Year Adviser</td>
<td>Deputy Principal for that cohort</td>
</tr>
<tr>
<td>A question regarding school organisation</td>
<td>School Office Staff</td>
<td></td>
</tr>
<tr>
<td>A question about Year 10-12 Curriculum pattern</td>
<td>Deputy Principal for that cohort</td>
<td></td>
</tr>
</tbody>
</table>

If you are unsure about who to contact, please briefly outline the issue to the office staff, and they will be able to direct you to the appropriate person. Teachers attempt to get back to telephone messages within two school days. However, there may be times where this may be longer, for example if they are on excursions or a professional development workshop or are teaching all periods during the day.
Year 12 Dates

<table>
<thead>
<tr>
<th>Date</th>
<th>Events</th>
</tr>
</thead>
<tbody>
<tr>
<td>Monday 12th October</td>
<td>• HSC Commences</td>
</tr>
<tr>
<td>Friday 6th November</td>
<td>• HSC Concluded. Return textbooks and ensure all outstanding fees are paid.</td>
</tr>
<tr>
<td>Thursday 12th November</td>
<td>• Textbook return and sign out morning Period 1 in the TLC</td>
</tr>
<tr>
<td></td>
<td>• Graduation DVDs to be collected for those who have paid.</td>
</tr>
<tr>
<td>Friday 13th November</td>
<td>• Year 12 Formal</td>
</tr>
<tr>
<td>Wednesday 16th December</td>

</tr>
<tr>
<td></td>
<td>• Back to the Farms morning tea (recess Wednesday) – celebrating student achievements and sharing HSC results!</td>
</tr>
<tr>
<td></td>
<td>• Graduation DVDs can also be collected at the luncheon.</td>
</tr>
<tr>
<td>Thursday 17th December</td>
<td>• ATAR results announced</td>
</tr>
</tbody>
</table>

Deputy Principal Conference

I was fortunate enough to attend the Deputy Principal Conference. One of the conference aims is to ensure that DP’s across the State are kept up-to-date on current research about adolescence.

Paul Dillon, one of the guest speakers, who has done an enormous amount of work with Gen X & Y has challenged parents to set boundaries for our children. It is important for parents to realise that we are not their best friends, but their parents. Paul challenged parents, stating that it is our duty to play the role that we signed up for. This role was definitely not to try and get too many ‘likes’ from them. Dillon cautioned us all, based on current research, of the danger of parents thinking it is OK to develop a friendship role rather than the one we should be playing - that is, of a loving parent setting boundaries. He could not stress enough, the job of parenting rather than friendship. Kids only need to hear 4 words. They are “I love you’ and “No”.

Dillon gave an example of parents justifying their allowance of their children drinking alcohol before the lawful age with statements like “I did it when I was young” or ‘One drink won’t hurt”. He said he is still amazed after parent presentations that he gives, with the number of people that either do not understand the laws of secondary supply, or were unaware of the amount of research that shows the damage that alcohol can have on the developing brain. As a mother I only know too well the challenges that parents face around these issues. I won’t be letting my children drive without a license because that’s the law, I won’t be letting my children carry a knife because that’s the law. Just the same, I won’t be letting my children drink until they are 18 because that’s the law. That is the beauty of the law isn’t it? An easy cop out because I didn’t make it.
Michael McQueen, another guest speaker, was able to challenge us with a lot of research about how Gen Y & Z, in particular Gen Z, are being raised in a time where they have choices available to them BUT at what impact? The research is showing that they are thoroughly aware of their rights to choose, but are we doing them a disservice? They know their rights but at times they do not really comprehend the responsibilities that come with them. Another issue that resonated with me, is that parents will often step in and come to the rescue and defence of their children at the first hint of disciplinary measures. It is such a shift in parenting styles from shielding children from consequences rather than the style of parenting my father took with me “You did the crime, you do the time”. If I consistently shield my children from the consequences of their actions and the realities of life I do that at the detriment of their developing character, their ability to learn from mistakes and make them less resilient.

**Interesting articles – food for thought**

Occasionally I come across the articles and as a parent and a teacher find them very interesting. Two such articles I have found recently are:

Senior Girls’ Uniform

Earlier this year, the School Council conducted a survey on the Senior Girls’ Uniform. The survey had an extremely high response rate, with 446 responses received. The School Council collated the results, and 97.33% of those who responded, asked for a new Senior Girls’ uniform.

Of the responses, 91.15% wanted a change in the shirt.

The School Council, P&C and Uniform Committee are working together to change the Senior Girls’ shirts to white as soon as feasibly possible.

*As a result the lemon coloured senior girls shirts have now been discounted to $21 for anyone who needs to purchase one.*

We are looking into the feasibility of the shirts being made available to Year 11 2016 part way through next year. If this is possible the following outlines the senior girls’ uniform requirements for each year group:

<table>
<thead>
<tr>
<th>Year Group</th>
<th>Senior Girls Shirt</th>
</tr>
</thead>
<tbody>
<tr>
<td>Year 11 2015 / Year 12 2016</td>
<td>Will remain in lemon shirts</td>
</tr>
<tr>
<td>Year 11 2016 / Year 12 2017</td>
<td>Will start Year 11 in lemon shirts, but will have the choice to change to a white shirt if it is feasible for them to be available part way through 2016. This one year group may have a mix of white and lemon shirts.</td>
</tr>
<tr>
<td>Year 11 2017 / Year 12 2018</td>
<td>Will only have the white shirt.</td>
</tr>
</tbody>
</table>

Uniform change is a very emotional and expensive issue. We are endeavouring to minimise upset and expense to our students and parents. We will keep you informed of the process. We are sourcing samples, ensuring the shirts are not see-through, seeking the senior girls’ opinions, enquiring on production timing and costs, looking at the cost to the school of writing off the remaining lemon shirts, before a decision on the feasibility is reached.

If you have questions, please email me on bdschuster@optusnet.com.au.

Belinda Schuster

MFHS P&C President
This year our Archibull Prize entry is a finalist.

The competition is open to all NSW and QLD schools so the students have achieved great results. We find out actual winners in November and we know we will be on display at next year’s Royal Easter show. Our Archi “Moona Lisa” was also selected to be part of a documentary and is away on location being filmed.

Students participated in 4 Categories –

1. Make the art cow – based on beef industry. We looked at farming initiatives and famous paintings – then made them work together!
2. Blog about the beef industry and school journey
3. Multimedia about the beef industry
4. Design Infographics about biosecurity.

Thank you to my fantastic Year 9 Visual Design class for their work and clever ideas in the blog and the making of our cow. They also presented well on judging day.

SPORT REPORT

Grade Premier’s:
Congratulations to all Grade Premier’s for Terms 2/3, 2015:

- Boys Open Soccer A
- Boys Open Soccer B
- Boys Open Oztag A
- Mixed Ultimate Frisbee
- Girls Open Soccer
- Girls 15’s Soccer
- Girls Open Touch A

Grade sport has begun for Term 4. Let’s finish the year with some fantastic team performances!

All Schools Athletics:
Congratulations to Matthew McVey (Yr9) and Cameron Murray (Yr7) for their participation in the NSW All Schools Athletics carnival on the 8th-11th October.

Cricket:
Best of luck to our Boy’s Open Cricket KO team playing Cumberland in the Sydney West quarter final.
FROM THE MATHEMATICS FACULTY

Congratulations to the following Maths merit recipients:

**Year 7**
- Ela Gregson, Julie Han, Sarah Pasfield

**Year 8**
- Brooke Blackshaw

**Year 9**
- Georgia Grant

This Week’s News

**Yearly Examinations for Years 7, 8, 9 & 10:**

Years 7 & 9 have now completed their Yearly Examinations. Teachers are now marking exams and are starting to write the Yearly reports. Please note that the Year 10 exam is now scheduled for periods 3 and 4 on Friday 30th October.

Please make sure that your student brings their own mathematics equipment (pens, pencils, calculators, rulers, geometry sets) for their Yearly Examinations. Equipment MUST NOT be shared in the exams.

The timetable for the Mathematics Yearly Examinations is as follows:

<table>
<thead>
<tr>
<th>Year</th>
<th>Dates</th>
<th>Paper Details</th>
</tr>
</thead>
<tbody>
<tr>
<td>Year 8</td>
<td>Tuesday 3rd &amp; Thursday 5th November</td>
<td>One non-calculator &amp; one calculator paper</td>
</tr>
<tr>
<td>Year 10</td>
<td>Friday 30th October (both exams being done in the double period)</td>
<td>One non-calculator &amp; one calculator paper</td>
</tr>
</tbody>
</table>

Calculators:

Please make sure that all students have their own calculator. The Casio fx-82AU PLUS is sold at the uniform shop for $35. Different brands of scientific calculators work differently and it is important that everyone in a class has the same calculator. Students need this calculator from Year 7. It is vital for their progress that students are familiar with their calculator and know how to use it.

Free Maths tuition is provided every Thursday afternoon after school from 3pm to 4pm. Years 7 to 10 are in room 8-07 and Years 11 and 12 in 8-06. It is fully supervised by the Mathematics Faculty.
Coming Events

Year 10 Luna Park Maths Excursion

We are all looking forward to the Year 10 Luna Park excursion on Friday 4th December. This is a reward for students who have completed all of the necessary requirements of the Stage 5 course. The notes will be given out in the next week.

Have a Mathematical week,
From Jackie Dalton and the Maths Faculty Staff
Australian Business Week 2015

Year 11, during the first week of Term 4 completed the ABW Program. ABW enterprise education programs help students of all ages to prepare for life beyond the classroom by providing the invaluable opportunity for them to ‘experience’ being an adult in the world of Australian business.

Secondary school students are on the cusp of adult life, but often a very long way from having the skills and confidence they need to negotiate life as an adult. ABW enterprise education programs can have a tremendous impact on these students, allowing them to experience the business world in an adult role, via a safe simulated environment.

Programs go far beyond teaching business related skills – because our programs are experiential, students can learn to work as part of a larger team, develop a sense of responsibility, gain confidence, and get a better feel for future career possibilities.

Participants form teams of 10 and assume management roles to run a virtual company, making important business decisions as they compete against other participating teams. The program replaced their regular curriculum for the week, allowing students to immerse themselves in the experience for maximum learning potential. It’s also great fun!
To be successful in manufacturing, a business must first produce a product that meets a consumer demand. Quality control, profit margins and effective marketing will all play a role in determining how successful the enterprise becomes.

Students step into a role in general management, operations, marketing or finance. They competed against other teams, made environmental decisions, completed case studies, wrote a company report, created a product, process or service, gave an oral presentation, produced a video commercial and mounted a trade display all within one week!
AND THE WINNERS ARE ..................

First Place - Next Step Ltd  Second Place - Chokstar & Co Ltd  Third Place – Perlo Pty. Ltd.

ALSO……………………………………

Simulation Winner - Prestige Ltd
Video Winner - Whatatune Ltd
Business Report Winner - Shifty Shoes Ltd
Oral Report Winner - The Militia Ltd
Trade Display Winner - Chokstar & Co Ltd
Team Work Winner - Innovate Oz Ltd
WELL DONE TO ALL YEAR 11’S.

Have a Mathematical week,
From Jackie Dalton and the
Maths Faculty Staff
FROM THE ENGLISH/DRAMA FACULTY

DRAMA AT THE FARMS

Year 10 Drama students kicked the term off with their production of *A Midsummer Night’s Dream* in the school garden on the evening of Friday 16\(^{th}\) October. These students put on a theatrical extravaganza of magical proportions for parents, friends and staff. The acting was of a high standard, with laughter, engagement and applause for our young thespians. Well done with your study of Shakespeare, staging your own production and working together as a unified ensemble. What a success! The students must now prepare themselves for their final assessment of their junior course as they stage an individual performance monologue, a new feat for these hard working Year 10 students. We wish them the best of luck.

EXPERIENCE A NEW CULTURE
MAKE NEW FRIENDS AND LEARN A NEW LANGUAGE AT HOME
HOST FAMILY OPPORTUNITIES

In January, students aged 14 – 19 years from over 25 countries will be arriving in Australia to study at local schools for 3, 5 and 10 months. Opportunities are available to act as a host family in a volunteer/unpaid capacity. Hosting can be on a temporary, short or long term basis.

Host families help provide each student with the chance to study and experience life in Australia. This is a great way to practice your language skills, share your stories, learn about another country and culture, establish a lifelong link to a family in another country and contribute to international goodwill.

Our students bring with them their own spending money, health insurance and a wonderful attitude and desire to learn about their new host country. Your whole family...and your relatives and friends...will grow and learn as you all get to know your new ‘son’ or ‘daughter’ from another land. If your family can offer a friendly, supportive and caring home environment, contact us today.

To learn more about this opportunity call Student Exchange Australia New Zealand on 1300 135 331 or visit our website: http://studentexchange.org.au/host-a-student

Lilys is kid friendly!

Don’t stress out on the thoughts of taking the kids to dinner. At Lilys we offer plenty of entertainment that will keep them busy.

Fun, Fun Fun! The Gizmo Kids Room is a great space where the young ones can enjoy themselves in a safe environment. With a wide assortment of coin operated machines the kids are pretty much guaranteed of a happy time.

Lilys will even be more kid friendly with a brand new outdoor playground being built next to the new alfresco dining area. The multimillion dollar renovation will be finished early November and welcomes families 7 days a week.

Did you know that kids eat free on Thursdays? Order a main meal and receive one kids meal for free.

For more info about the venue, trading hours and menus, visit www.lilys.net.au
