FROM THE PRINCIPAL

Student Success:

Congratulations to Connor Thomson in Year 10, who was selected last week to play in the NSW U15 Rugby Union Team. Connor and his team mates will play against QLD during the upcoming Easter break on the 4th of April. Congratulations to Connor and we look forward to hearing about a win over Queensland any day!

Congratulations to Lauren Smith also of Year 10 who has been chosen as a member of the Girls Guides Australia to attend 2 Jamborees in the UK next term. Lauren has been a Girl Guide for many years and has a passion for what she does so we hope she enjoys meeting guides from all over the world on her UK trip.

Congratulations also to Mackenzie Bohan and Dylan Wright who have been selected for the CHS Baseball Team. The boys spent much of week 8 at the Regional Carnival at Lismore playing 6 games against other teams from across the state. The boys will now play against the Catholic Colleges and Independent teams in June at Blacktown and from there could be selected for the State or National Teams. Congratulations to both boys and we look forward to hearing of your future success.

Year 11 student Emma Harris is also sailing in the CHS Sailing Regatta at Belmont during the holidays. Emma is a long term sailor having honed her skills over the last 11 years. We expect her to do well. Good luck

Max Potential Leadership Scholarships:

Last Tuesday our Year 11 year Adviser attended the launch of the Max Potential Leadership Program at Castle Hill RSL. Model Farms High School has a long tradition of having students participate in this program but this year we have been extremely fortunate to have a total of 4 students receive scholarships. Year 11 students Cara Boljevac, Lachlan Chok, Kirrily Lippmann and Emily Jenkins have each been assigned a business community mentor who will work with them to assist them design and implement a community project that will develop their leadership skills.
Each year our students devise exciting and innovative projects that have practical applications for various sectors of our local community and we get to see the product of their efforts at the culmination of the program later in the year. I wish each of them all the very best with their endeavours and look forward to hearing of their adventures.

**Year 11 In-Contact Evening:**

On Monday 16th March we held our annual In-Contact evening for Year 11 students and their parents. This event is designed to support our students, through our partnerships with their parents, as they transition from the fairly relaxed middle school years into the much more serious senior years. Our presenter was MaryAnn Das Neves, the retired Principal of Girraween Selective High School and a practitioner of Positive Psychology. She addresses a range of things that families experience at this stage of schooling and offered advice to students and parents alike. Of note she stressed a few important points

1. These years are important but the HSC is not the end of the world. There are always other avenues open to students if they do not achieve as much as they would like.

2. Students need a neat and tidy place to study, away from noise and distractions.

3. Make up a study timetable but put your social events on it first so that you can see that life is not all books and homework. It also helps you to see when and why you can and cannot socialise when looking at the demands of schoolwork.

4. Students need lots of sleep and so should not start the practice of staying up too late and trying to cram before exams.

5. They need to eat healthy food and keep their bodies nourished as much as possible.

6. We should all help students develop a ‘growth mindset’ and try as best we can to move away for the negative thoughts that are associated with a ‘fixed mindset’.

7. MaryAnn’s PowerPoint presentation will be on our website soon for everyone to access if you were not able to get there on the night.

**Year 7 Camp:**

Our new Year 7 students had a fabulous time away at Tea Gardens on their first real adventure at high school and the photos tell a wonderful story of fun, excitement and bonding. This camp is really important for their transition as it helps them cement friendships they had before coming to high school but also allows them to make new friends, hopefully ones they will keep for their remaining years at the Farms. Students were involved in a range of fun activities from archery, high ropes, giant swing and a raft of others that challenged them and encouraged them to try new things in a safe and supportive environment. I am grateful to their Year Adviser Mr Puleo and the team of teachers and Peer Support leaders who spent 3 days with our students ensuring they all had a great time.
Shave for a Cure:

Friday 20th March saw many heads shaved or coloured at the school in a huge support of Leukemia research. The SRC did a sterling job at encouraging our students to think of others and donate their money to a worthy cause. We thank Care 4 Hair from the Winston Hills shops who donated their time to shave all the heads during a noisy lunch break and congratulate all who participated. Make sure you check out the photo in Mr Montgomery’s report later in the newsletter.

Bus Shelter Construction:

Our bus shelter has finally been finished and we are very happy with the final look of it. It is modern while at the same time it fits with the colour scheme of our existing buildings. We are now getting the ground concreted so that students have a solid base on which to stand and one that will be suitable for all weathers. This should be completed in the very near future.

School Council AGM:

A reminder that the School Council is having its Annual General Meeting in Week 10 on Wednesday 1st April. The Council is made up of parents, staff, students and community members and its role is to support the school with strategic management and the development of policy and practice. If you are interested in nominating for a position then please contact the school with your details.

Christina Bennet
Principal
FROM THE DEPUTY PRINCIPAL – MR GRADY

Year 11 Exams and Reports:

A reminder that Year 11 Half Yearly exams commence on Thursday 30 April (Week 2). These exams will provide the best indicator to date on student progress in their preliminary course as well as giving the students the experience of an extended examination period leading to the Higher School Certificate. Year 11 students should reflect upon the information provided in the Elevate sessions in Week 7 and the In Contact Evening in Week 8 to best prepare for the challenges ahead.

On Wednesday 25 March, Ms Letherbarrow distributed the Year 11 interim reports.

Year 9 Exams:

Students in Year 9 will be sitting their Half Yearly Exams in Week 3, commencing Monday May 4 (Star Wars Day)*. Students are reminded to ensure they understand the content and date of their respective tasks, and discuss any areas of development with their teachers well before the exams.

*Buckley Shield:

Congratulations to our Under 14’s Buckley Shield knockout Rugby League Team. The group of boys recently played the first three rounds of the competition and were successful in defeating sides from Colyton High School, Cambridge Park High School and Northmead CAPA High School. Well done everyone and to their coaches Mr Birrell, Mr Phegan and Mr Luttringer. We wish the team good luck in your forthcoming match.

Davidson Shield:

On Tuesday 24 March, the Open Boys Cricket team competed in the Davidson Shield knockout competition. The first round match was against Holroyd High School, and I am pleased to report that the team successfully bowled out the opposition for 77 runs and chased it down for the loss of only 5 wickets. Well done to all of the players and the coach Mr Puleo. The second round match will be scheduled for Term 3 when the fields change back from winter sports.

As this will be the last newsletter prior to the break, I would like to wish all students a safe and enjoyable holiday.

Have a wonderful week,

Mark Grady
Deputy Principal
FROM THE DEPUTY PRINCIPAL – MS PLEDGER

Keeping the Academic Pedal to the Metal:

The term holidays are a great time for our students to consolidate on work covered during the term in preparation for Half Yearly exams in term 2. Work that can be undertaken by students during the holidays in preparation for these exams include:
- Rewrite all their notes in bullet form
- Convert their bullet form notes into mind maps
- Use their mind maps to write sample exams from past year final papers
- Rewrite any essays that they have written this year
- Get on with any assessable assignments

Formal examination periods are:
- Year 11 exams – weeks 2 and 3
- Year 10 exams – week 2
- Year 9 exams – week 3
- Year 8 exams – week 4
- Year 7 exams – week 5

For years 7 to 10 not all subjects will have exams during this time period. Please refer to the school calendar for dates of specific tasks.

Examination procedures: Please ensure you are aware of the rules surrounding illness and misadventure during the examination period. Although these may appear strict they are there to safeguard the rights of all students and ensure that examinations are as fair as possible. Assessment handbooks have been issued to all students in years 10, 11 and 12. Replacement copies are available from the website.

Senior Student’s and Cars:

PLEASE stress to your student the importance of driving safely when leaving school on an afternoon. While I can appreciate their desire to race home and study (or attack the fridge) it is essential that driving is very careful around school zones.

Winter Uniform:

Just a reminder that boys in Years 11 and 12 are required to wear a tie for Terms 2 and 3. It is a good idea to have a look at some of the shirts the boys are wearing. They grow so quickly at this age they often outgrow their shirt in a 12 month period. Boys are required to keep their top button done up when wearing a tie. If the shirt is too small it creates issues in terms of compliance and discomfort. Hoodies, Beanies and Undershirts that show beyond the length of the top layer of uniform are not acceptable. After Easter it will get cold rather quickly. Please ensure that students have a sloppy-joe or knitted uniform jumper for the start of the cold season. I keep a range of pre-loved and washed jumpers in my office. Students who attend school in the incorrect jumper will be asked to leave their jumper in my office for the day and borrow one of the school jumpers behind my door.

Clothes and Nametags:

Please ensure that all items of clothes have your students name clearly displayed in the item. Every week I have numerous items of clothes handed to me and 1 in 10 has a name in it. It is impossible for us to get the item back to the rightful owner without a name.

Have a good week,
Jennifer Pledger
Deputy Principal
TERM 1

WEEK 10

Monday 30th March .. Yr 12 Exams
10GY Fieldwork Report Due
YR 10 PDHPE project due this week.

Tuesday 31st March .. Yr 12 Exams
Yr 10 History Topic Test
Yr 11 Adv/STD English Identity Essay Task
Social Inc Regional Leadership Forum (TLC)
Yr 10 Science Skills Test 2

Wednesday 1st April Yr 12 Exams
Yr 11 Eng Ext 1 Viewing and Rep Task
7L & 7N Japanese Test
School Cross Country

Thursday 2nd April .. Yr 12 Exams
Yr 11 English Student Group Presentation P5 & 6
Support Excursion
7B Japanese Test
Yr 10 Science Skills Test 2

Friday 3rd April .. Good Friday

---

TERM 2

WEEK 1

Monday 20th April .. Staff Development Day

Tuesday 21st April .. All Students return to school
ANZAC Activities (Whole School)
Yr 10 Speaking Task all of week 1 during English lessons

Wednesday 22nd April Yr 10 Speaking Task all of week 1 during English lessons
Yr 12 Dance incursion/workshop/seminar
ANZAC Activities (Whole School)

Thursday 23rd April .. Yr 10 Speaking Task all of week 1 during English lessons
Yr 9 High Resolves
Yr 10 History Elective Exam
ANZAC Activities (Whole School)

Friday 24th April .. Yr 10 Electronics Assignment
Yr 10 Speaking Task all of week 1 during English lessons
ANZAC Activities (Whole School)
A reminder to all Year 7 parents that Vaccination forms are due to be handed in. If you require a new form please see Mrs Lumley. The first vaccination date is Friday 8th May.

To all Year 11 and 12 parents, if you wish your child to be given the “catch up” vaccine for Measles, Mumps, Rubella (MMR) please hand your forms into Mrs Lumley as soon as possible.

The dates for Year 7 vaccinations are:

| Term 2: 8th May | Term 3: 17th July | Term 4: 20th November |

YEAR 7
- Human Papillomavirus (HPV vaccination) - 3 doses: Terms 2, 3 and 4
- Diphtheria-Tetanus-Pertussis (dTpa) vaccination - 1 dose Term 2
- Varicella (Chickenpox) vaccination – 1 dose Term 4

The date for Year 11 & 12 vaccination is:

YEAR 7
- Measles, Mumps and Rubella (MMR vaccination) - 1 dose: Term 3

This is a single dose as part of a catch-up vaccination program for students who are not fully protected. If your child has a record of TWO doses no further doses are required.
Bring Back The Bush

On Thursday the 12th of March, the Model Farms High School Support students ventured out to Lizard Log, Western Sydney Parklands, to help bring back the bush!

The program is open to all schools and aims to increase the bushland in the park, whilst also instilling a sense of citizenship and community in students.

This was certainly on display on the day, with students firstly being shown how to plant the greenery, then working in teams to accomplish the task.

All of the students worked brilliantly and made Model Farms HS proud!

A big thank you to Mrs Varghese for organising a truly fantastic event.

The Support Faculty
11 Legal Studies – Excursion to Parramatta Local and District Courts

43 eager year 11 Legal Studies students went to Parramatta Local and District Courts on Tuesday 17th March. It was a daunting experience for some as it was their first time experiencing court, and for others the fact that they had to make their own way into Parramatta was enough of a hurdle.

The courts don’t usually allow this number of students in at a time, however the reputation of Model Farms definitely assisted us and we were given reasonably free reign to move through both courts at our discretion.

Students were able to experience a wide variety of cases ranging from those with juries, preliminary and committal hearings, those with magistrates and those with judges, as well as those where people self-represented themselves. Certain cases even caught some student’s attention where they did not want to leave and were disappointed when they were not able to experience the closing of the case. (BTW these can be looked up at www.caselaw.nsw.gov.au)

Results of the assessment task that was completed the following in relation to this experience will be available shortly.

Coming up...

Year 7 Geography – World Heritage assignment due Tuesday 31st March (week 10)

Year 8 History – Research assignment given out and due week 1, term 2.

Year 9 Geography – Natural Hazards assignment given out and due week1, term 2.

Year 10 History – Term 2: topic test in week 2 and semester test 3
Year 10 Geography – Global Links assignment due Tuesday 5th May
Year 10 Commerce – Half Yearly exam week 2
Congratulations to the following Maths merit recipients:

Year 8
Brooke Blackshaw
Hayden Kennedy
Joshua Payne

Year 9
Nicholas Ford
Matthew McVey

Year 10
Dominic Lawless
Zoe Wilton

This week’s news

Assignment Season:
The assignments for Years 7, 8, 9 and 10 are now being marked and results will be forwarded to students as soon as possible. Unfortunately there are some students who still haven’t submitted their assignments and we advise them to do so urgently.

Year 11 & 12 Exams
Year 12 are currently sitting their Half Yearly exams and we wish them all the best. Year 11 will be doing their Half Yearlies in weeks 2 and 3 of term 2 and we recommend that they use their time wisely during the school holidays to revise their work.

Australian Mathematics Competition:
Notes are being issued to students for The 2015 Australian Mathematics Competition. This supplements the Gifted and Talented work being done in the classroom. It costs $6 and the money is to be paid to the school by Wednesday 29th April. The competition will be held on Thursday 30th July 2015. If your child has not received a note and they want to sit the examination, please ask them to speak to their Maths teacher.

World of Maths Incursion Year 7
The ‘World of Maths’ incursion was a great success with our Year 7 students. The students worked in small groups and participated in hands-on activities that required them use their Mathematics knowledge and higher order thinking skills. We will have photos for the next newsletter.

Calculators:
Please make sure that all students have their own calculator. The Casio fx-82AU is sold at the uniform shop for $35. Different brands of scientific calculators work differently and it is important that everyone in a class has the same calculator. Students need this calculator from Year 7. It is vital for their progress that students are familiar with their calculator and know how to use the different functions.

Free Maths Tuition:
Free Maths tuition is provided every Thursday afternoon after school from 3pm to 4pm. Years 7 to 10 is in room 8-07 and Years 11 and 12 in 8-06. It is fully supervised by the Mathematics Faculty.

Have a Mathematical week,
From Jackie Dalton and the Maths Faculty Staff
FROM THE ENGLISH FACULTY

Merit Mayhem!

Congratulations to the following students who have received an English Faculty Merit.

| Year 7 | Dana Agustin, Layne Allen, Zara Krim, Ashleigh Kissell, Tiffany Lai, Jaygen Potts, and Emaan Bassam-Tabar |
| Year 8 | Nicholas Carra, Alan Chen, Connor Louden and Alisha Ram. |
| Year 9 | Gemma Barnett, Sarah Kim, Betty Kan (x2) and Aaron Morden |
| Year 10 | Luke Zaccaria |
| Year 11 | Lukas Grone, David Guo, Kirrily Lippmann (x2), Paul Mace, Sheriya Mehta, Caleb Osborne and Jess Robinson |

As Term One draws to a close, we are proud of the excellent effort and hard work from all students. Some important reminders for the final weeks:

- **Year 12** Advanced and Standard students have a *Speaking Task* on their respective modules in Week 2 of the examination period.
- **Year 11** Advanced and Standard have their *Extended Response Assessment* on Tuesday, 31\(^{st}\) March.
- **Year 11** Extension 1 students will be completing their ‘Crime Fiction’ *Viewing and Representing Task* on Wednesday, 1\(^{st}\) April.
- The **Year 11** English Studies class have their *Collaborative Research Presentations* during Week 10.
- **Year 10** will complete their *Listening Assessment* on Friday, 27\(^{th}\) March.

It’s a busy end to the term for our senior students. Wishing everybody the best of luck in these assessments!

YEAR 12 DAY!

On Tuesday, 17\(^{th}\) March, all Year 12 students participated in a day dedicated to English. The Advanced and English Studies classes enjoyed a highly productive day of study and revision. Students were able to work one-on-one with their teachers as they reviewed the course content thus far – a valuable learning experience as we meet the halfway point of their HSC.
On the same day, Year 12 Standard students went on an excursion to watch the live performance of ‘The Shoe-Horn Sonata’ at the Fig Tree Theatre at the University of New South Wales. Students and teachers alike enjoyed this day of adventure. Many of the students commented on the value of this excursion and the timing of the outing could not have been better; these students will be presenting their Speaking Task on Module A: Distinctively Visual with specific reference to ‘The Shoe-Horn Sonata’. As a performance text, it was worthwhile for students to experience the play first-hand and engage with the dramatic elements that John Misto describes through his writing. Students were commended on their good behaviour, respectfulness during the performance and general positive representation of Model Farms High School.

YEAR 11

Year 11 Advanced and Standard students have completed their concept study of Identity, culminating in their formal response to be done in Week 10. It is important that they review their book work and study material during the holidays to ensure maximum preparation for their Half Yearly Examinations in Week 2 next term. Their exam will consist of two sections: Reading and Creative Writing. You can do it, Year 11!

YEAR 10

Teachers were swamped with students’ Viewing and Representing Tasks; an array of visual sources in the form of posters and PowerPoint presentations that depicted social issues related to the Indigenous experience. Students used their knowledge of the way Aborigines have been portrayed in Australian society to create and analyse texts for this unit of work. They have now started the next unit, ‘Telling the Truth in Media’. Students are encouraged to regularly read and listen to the news to deepen their understanding of the issues discussed in class. This will also help prepare them for the Listening Test in Week 10. It’s been a great term for Year 10 as they’ve broadened their understanding of the world around them.

YEAR 9

Students completed their Narrative Assessment last week. Keen creative writers, we are looking forward to reading how they’ve brought the visions and voices of their characters to life. They will be spending the final weeks reviewing the structure of NAPLAN tests and completing practice tasks.

YEAR 8

Students had their Exposition Letter Assessment on Thursday, where they were asked to promote their class novel to the Board of Education. They rose to the challenge of combining two text types and writing persuasively about the characters and themes of their text. They are now embarking on a Film/Drama study to finish off the term. Go, Year 8!

YEAR 7

Year 7 have survived Term 1 of high school English and shown great potential in the process. Their responses in exposition, spoken and narrative form have impressed teachers as they’ve tackled key issues, such as bullying, technology and the environment. We can’t wait to see more of the top quality work this cohort brings to the table!
DRAMA at the FARMS

What a term of Drama we have had to kick start 2015! The images below speak for themselves with students producing highly engaging and theatrical performances showcasing their many talents. I wish our HSC Drama students the best of luck in their exams and congratulate Year 10 on their hard work and effort to produce a number of performances demonstrating their skills acquired this term. Their next project is a performance commemorating the ANZACS to be presented Week 1, Term 2. Great work Year 10. Keep it up!

Drama Performance Stills:
Year 10 Drama Movement and Mime Performance Task Stills
Year 11 Drama Surrealism Performance Stills
The Senior Drama Company presents

AWAY

by Michael Gow

On May 26 & 27 2015 our Senior Drama Company will take audiences on a family holiday like no other. More information to come Term 2.
Now that we’re at the end of Term 1 it is great to see students are well and truly back into the routine, especially Year 7 who have completed have started to conduct experiments for the first time. We hope that before the holidays begin, both Year 7 and Year 10 have finalised their Major Science Investigation ideas and are beginning to do a bit of research into how to perform their experiments. Now is the last chance before a productive 2 weeks to ask your teachers questions about your investigation ideas!

Castle Hill Show:

The Ag students and Ms Cole went to the Castle Hill Show on 13th-15th of March and brought home the bacon! All the students worked well in setting displays and showing visitors what Model Farms has to offer. Here are some fantastic results we achieved:

- Our duck eggs won: Best Duck Eggs, Best Eggs at Show and Best Farm Produce.
- Our chicken eggs won: Best Chicken Eggs (1st and 2nd place respectively).
- Our Bantam eggs won 1st place.
- Our ducks and Bantams came 2nd in their respective classes.
- Alex Johnson came 3rd in Junior Diary Judging and is first reserve for the Royal Easter Show.
- Our display was 3rd place for the animal exhibit.

A mention also to both Ryley Buckley and Patrick Arnold who both performed well in their judging and to all the students who went to the school in the fantastic way they conducted themselves.

Great work everyone!

Science Group:

After the first session of the Science Group in Week 7, we are ecstatic to see a good number of students keen to do some exciting activities and experiments in coming weeks. The group will be meeting in 6L1 on Week A Fridays at lunchtime. If you are interested in joining you will need to collect a permission note from either Ms Manson or Ms Owen and return it by the next session.

As stated in the previous newsletter, the group will meet once a fortnight at lunchtime to explore Science and various experiments which are not part of the curriculum. Students will have a chance to decide on what experiments and topics the group will cover. We hope that students will be able enjoy areas in Science which interest them personally.

From Ms Owen
And the rest of the Science Faculty
Lawn Bowls Triple Treat

On Friday 20th March, the Model Farms High Lawn Bowls team competed in the Sydney West Triples Knockout at Glenbrook Panthers Leagues Club. The team was skippered by Jack Walker, who was ably assisted by Corey Wright and Ben Kahane. The format for the competition was a series of group fixtures which ran for 50 minutes each. The team leading on the scoreboard at the completion of the current bowling end at 50 minutes would be declared the winner.

Our first match of the day was against Granville South High School. Due to them running late we were awarded a nine point head start. Although not their best performance of the day, the boys hung on with some intuitive bowling from skip Jack Walker to win 20-6. The score line was somewhat flattering towards us. We breezed through our second fixture of the day 14-3 and headed for lunch feeling quite comfortable with the position we were in, with the boys showing great improvement each match.

Our first fixture for the afternoon signalled that it was crunch time in the competition. We played the other competition heavyweights in Kingswood, who had a number of representative players. Despite being relatively new to the sport, Corey and Ben bowled exceptionally well in this match and we were able to beat Kingswood 15-4 assuring qualification to the State Final. Having successfully qualified for the State Final, our fourth and final game against Cranebrook was very one sided in a favour, capping off a day of strong bowling performances.

The trio will now travel to Temora in country NSW (80 km south of Wagga Wagga) in June to compete in the NSW Combined High Schools State Final Knockout, representing both our school and Sydney West. The knockout will be held over two days (10th & 11th June) at Temora Bowling Club.

The three gentlemen not only represented our school fantastically well on the green but also showed exemplary behaviour and sportsmanship through the entire day. Congratulations on a wonderful achievement and all the best for the upcoming competition. Happy bowling!
The World's Greatest Shave

A huge congratulations to all those Year 12s involved in making The World's Greatest Shave a resounding success last Friday. With the money raised still being calculated we can confirm the Year 12 team alone raised over $3000. This is a tremendous achievement and the results speak for themselves with the proudly donned domes (pictured below). Well done to our SRC organisers for their hard work in making the day exciting, entertaining and enjoyable for all students who looked on as Care4Hair Salons cut and shaved our junior and senior participants. Great work Farmers a great deal of money raised for the Leukaemia Foundation. Great job Year 12!

Your proud Year Adviser,

Mr Montgomery
MODEL FARMS HIGH SCHOOL

P&C TRIVIA NIGHT

Saturday 23rd May, 2015

From 7:00pm for a 7:30 start

Model Farms High School hall

Bookings open 3rd March

Please phone the school on 9624 3133 or

Belinda Schuster on 9688 6664 or

bdschuster@optusnet.com.au

This is an adult only event.

- 8-10 people per table
- Form your own table, or we can help you join one
- Tickets are only $15 each
- Bring your own nibbles and drinks (alcohol OK)
- Coffee, tea and cake supplied for supper
We need your help!

The Annual Model Farms High School P&C Trivia Night will be held on Saturday 23rd of May. Please assist by donating items suitable for prizes - *gift vouchers, hampers, chocolates, non perishable food items for hamper packs, cosmetics....anything you would be happy to win!*

Please send these items to the school office on Friday 1st May or contact Belinda Schuster on 96886664 or bdschuster@optusnet.com.au to arrange collection. Thank you in advance for your assistance...all P&C funds raised benefits every student of Model Farms High School!

</table>
Bedford College has provided Play Sessions to the community for 7 years at the Glebe Campus, and we are now bringing the fun along to the Hills!

Play Session is a great opportunity for parents and carers to bring along young children (0-5 years) to have a fun morning in a safe learning environment.

Play Session will commence 1 May 2015 (not open during school holidays).

The cost is $6 for one child and $10 for families of 2 children or more (this includes a healthy morning tea for children and light refreshments for the carers).

So, come along, bring your family and enjoy the fun!

---

Guitar Lessons

Learn guitar from an accredited & experienced guitar teacher.

- Acoustic or Electric
- All styles taught
- Beginner to Advanced
